KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. nice short erotic fantasyVon MagritteThis is the second book in the Brynn Paulin Taboo wishes series, which is mainly about Dom/Sub sexual encounters.- Punished (Taboo Wishes)- Kidnap and Kink (Taboo Wishes)- Yuletide Greetings (Taboo Wishes)- Mr. Smith's Whip (Taboo Wishes)- Dick Does Jane (Taboo Wishes Series)- Sybil Disobedience (Taboo Wishes Series)First of all the subject of this book reminded me of another book written before:Kidnapped for ChristmasHowever I have to admit it isn't a really unusual female fantasy so it's not so strange to find several authors writing about the same subject.Sitting in a coffee shop Jenna answers her best friends question about her fantasy: being kidnapped and "forced" to have sex with a stranger. What she does not suspect is that Rob, the owner of a BDSM club The donjon sits so close to them that he hears everything. As he is coming to this coffee shop because of her, because he desires her he is very interested by the discussion, but he did not expect her to be attracted by his lifestyle. Now that he knows that he can satisfy her most secret fantasy and that he might have found his perfect submissive he won't resist her anymore.When he kidnaps her, he still give her the choice ... what will she choose?This is a short story (about 65 pages), this didn't keep the author to be able to create a real hot atmosphere, but also nice characters. The two are nice and adorable, but I missed the safe sex part and the reason why the two want to be together. What I also liked is that Rob is more or less encouraging Jenna to drop her zero size obsession and to enjoy food, life and be healthy.This is a nice fun short erotic read.Enjoy it MBTM
