Von Meg Gardiner : Kill Chain (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kill Chain (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen

Kurzbeschreibung When Evan Delaney's father disappears, the cops think he's fled the country to avoid prosecution. But Evan is sure that Phil has been abducted or killed for reasons associated with his work for Naval Intelligence. As Evan hunts for clues, she is attacked by an armed man. The attacker ends up dead -- and turns out to be a federal agent. Now Evan is on the run, implicated in his murder. Then she is contacted by a sinister duo -- a Madam and gigolo mother-and-son-team who claim that Phil was mixed up in their very dirty business. Can Evan save her father's reputation -- and his life? And can Jesse save Evan? Time is running out ...

Pressestimmen I have a bone to pick with Kill Chain, and by extension, with its author, Meg Gardiner: it was over too damn fast! I couldn't stop reading it, and when it was done, I wanted more. The book starts at a dead run from page one and doesn't stop until you collapse across the finish line. All things in moderation, but that doesn't apply to Meg Gardiner. One of my new favorite authors. * Cody Mcfadyen * Gardiner is brilliant at making the over-the-top seem utterly convincing. Her heroine, Evan Delaney, is a paragon for our times: tough, funny, clever, brave, tireless and compassionate . . . The pace and inventiveness never flag, and the climax . . . is both nailbiting and moving. But the brilliant writing is what puts this thriller way ahead of the competition . . . Reading the fifth Evan Delaney book first is not a problem, but you'll probably want to go back and read the others. Intelligent escapism at its best. * Guardian * The action is high octane from the first page . . . Meg Gardiner is a class act at the top of her game. Once you pick it up, it's a very hard book to put down. * My Weekly * A rattling good read * News of the World * Gardiner's prose is cool * Telegraph * Page-turning terror * Belfast Telegraph * The feisty Evan Delaney makes a welcome return in KILL CHAIN . . . As ever, the plot is pacy and tight. * Sunday Express * 'She is up there with Michael Connelly and Lee Child.' * Stephen King * Pressestimmen " * 'Tense and exciting... A conspiracy theorist's must-have.' - Independent on Sunday on Crosscut * 'A rattling good read, with an unexpected twist at the end.' - Sunday Telegraph on Mission Canyon * 'Great characters, dynamic plot, nail-biting action - Meg Gardiner gives us everything.' - Elizabeth George on China Lake"
