Hilarious!Von Fuchs JoanIch fand den Einstieg ja nicht ganz einfach, da ich als Dr Siri Fan aber einiges gewhnt bin, habe ich mich davon nicht umhauen lassen. Und was fr ein Buch, ich habe lang nicht mehr so gelacht. Kaltschnuzig,

witzig, abgebrht, das ist Jimm Juree, Reporterin. Ihre verquirkste Familie zieht mit ihr unfreiwillig aufs Land, wo so gar nichts los ist. Zumindest nicht auf den ersten Blick. Und dann geht es ab. Bizarr, komplex, einfach nur grandios wie sie einen Fall nach dem anderen lst und dabei auch noch zu sich selber findet. Von dieser Figur, und auch ihren schn bizarrer Familienmitgliedern mechte man gern erfahren. Ein Hit!1 von 1 Kunden fanden die folgende Rezension hilfreich. Dr Siri vs Jimm Juree - and the Winner iiiiiiiissss...Von Miki101.Micha Review for the Kindle Edition, bought and verified on .it***Hello Friends, first a notice to the hard boiled Dr Siri-Fans - look out, bite Your nails, have a bit of Asian patience... Dr Siri is coming back soon...And now, me - a hard boiled Dr Siri Fan myself - noticed with a bit of anxiety that our Most Famous Laotian Crime's-Writer has fallen into the Honeytrap of - rural Thailand!!!But like every good Crime's-Writer, he is able to create for us an entirely new Universe, the World of the Juree Family.Jimm Juree, thirty-something Crime Reporter is trasplanted by the (higher) force of her a-little-bit-out-of-the-road Mair (Mum), together with her brother Body-BUILDER with serious problems to connect to the other sex, a Grand-Pa ex Street-Police in semi-permanent mental absence, but full of resources....And they all are forced from Chiang Mai in Northern Thailand to rural Southern Costal Thailand, to a very well existing place called Pak Nam (to be found on Google Maps!!!) to make what????Mair has bought a "beautiful, calm Seaside Resort" on the Gulf of Siam, and they all will run it with the United Forces of the Family!Yet one member is missing, staying in the North - the former elder brother, now after the "Great Snip" an "Auntie", ex Miss Thay, Asia, Frisco World of Transgender etc., but in Midlife Crisis because of ... read and learn!Mix into t h a t mix the find of two skeletons in a VW-Mini-Bus, plus a murder case following right up behind, a Police Officer openly gay (an apparently non-existent phenomenon in the Thai Police ;-)) and several other murder cases coming up in more distant places of the Globe - and You have a plot that I had to read in one rush!The dialogs are some times juvenile, gayish, even 70T-ish, when the plot requests it, but most of the time the writing stucks to the crime (He,He...)O.K., I have to admit that the G.W.Bush citations above every chapter made it much more difficult to continue the read (almost-dying of laughter, no-understand-frown or so..) but once You have captured the non-sense, it comes like a bullet hitting You and You only want to cry.....For my opinion (which doesn't count soo much at all) it is a great gain to read this last born in the family of our C.C., because it has all the wits and finds and lacks of our current Century or Millennium, or whatstheheck..in it.Try it- You will never regret it!Word of a true Dr Siri Fan0 von 1 Kunden fanden die folgende Rezension hilfreich. Sorry, but Dr. Siri scores higher (my humble opinion)Von Thor3Animiert durch Colin Cotterills wunderbare Serie mit Dr. Siri wagte ich es und versuchte dieses Buch mit einer komplett neuen Crew.Nun, auch mir fiel der Einstieg schwer und schwer fiel es mir bis zum Schluss durchzuhalten. Die sympathischen Figuren sind przise beschrieben und skuril genug, aber die Geschichte(n) empfand ich als langatmig als arg konstruiert und meilenweit hinter den Dr. Siri Bchern.

KurzbeschreibungWhen crime reporter Jimm Juree is forced to quit the city for a fishing village on the Gulf of Siam, she expects much in her life to change. Quiet will replace quick, and, surely, crime will give way to calm. There goes the career, then.Not a chance. No sooner has she settled than a surprise discovery springs from a local well. Two skeletons: both wearing the signs of thirty years of decay, with one also wearing a hat. And, if this wasn't uncommon enough, a monk is soon killed in a neighbouring town.Who are the skeletons? Who murdered the monk? Is there a connection? Step forward Jimm Juree...Pressestimmen'It is a compassionate and funny crime mystery, just a bit dark around the edges, and well wise to the ways of the world' The Euro Crime.
