**Von Avery Flynn : Killer Attraction (Killer Style)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Killer Attraction (Killer Style):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The 2. book of the Killer Style series is awesomeVon Christian Kaisera heroine who could kick your ass or get you on your knees through her killer looks.With the second book in her Killer Style series, Avery gave us a fast paced story with just the right amount of sexyess.The main characters are not only likeable, but also believable and the good story

leaves me only with one bad thing to say about it. Too short, I want more

Kurzbeschreibung "Incredible writing with witty humor and scorching sex scenes. This Year's Black belongs at the top of everyone's TBR list." -- New York Times bestselling author, Gina L. Maxwell  
A fighter since birth, Allegra "Ryder" Falcon would rather trade in her all-black wardrobe for head-to-toe hot pink than let anyone ever see the cracks in her tough exterior. But one night with a stranger changes everything. Devin Harris may have given up his MMA fighting dreams for high fashion, but that doesn't mean he isn't always in control. So when someone embezzles millions under his watch, he isn't going to let the private investigator working the case go it alone--even if she is the woman who blew him away in bed and then blew him off. Just when it seems like it couldn't get any hotter between Ryder and Devin, the case takes them to a tropical paradise where the danger increases. From the catwalk to the pineapple fields, they have to work together to track down the missing millions before the thief finds--and kills--

them.
