FANTASTIC!!! Von JimCriminal Minds from the Killer's Perspective. A Must Read! This masterfully written novella grabs you on the first page and doesn't let you go. It is riveting and dark, but lightened with just the right touch of humor. By the end, you will be satisfied but want more. I can't wait for a sequel or anything else the author, John Cassian decides to write. Not for the timid reader, Cassian pulls no punches. His protagonist killer is unapologetically sick and twisted, but strangely likable. The book is billed as a dark erotic thriller but it is not erotica at all. It is a fun, fast-paced thriller covering a very dark topic. It includes explicit sexual situations that are essential to the story line and are never gratuitous or extraneous. I could not be more impressed with the quality of the writing or the compelling nature of the story. Killing Matt Cooper has a permanent place on my favorite books shelf! Cassian successfully captured the feel of a Criminal Minds type television show, but transformed it into a fascinating, Dexter like, view inside the mind of a serial killer. In many ways I was reminded of the excellent scenes from the killer's perspective in Thomas Harris classic thrillers "Red Dragon and Silence Of The Lambs. Don't miss this one, you won't be sorry.

KurzbeschreibungA FEMA crisis manager by day and serial killer by night becomes romantically involved with the FBI unit chief hunting him down. Will she learn his dark secret? *GRAPHIC CONTENT WARNING!*
ABDUCTION, NON-CONSENSUAL, SNUFF *This is a work of fiction meant for MATURE, 18+ AUDIENCES ONLY!*
*REVIEWS: "Fearlessly written, the author holds absolutely nothing back." -- Danielle Evans"Devilish and fun in a creepy sort of way ... Which I am, in some ways, ashamed to have found as captivating as I did." -- Leo Walsh (reviewed on Goodreads and on Smashwords)"Like Raskolnikov ... a mixture of the noble and the manipulative is part of the killer's constitution, with the possibility of redemption in the wings." -- Cole Davis"Perhaps I should be ashamed to admit that, despite my complete and utter repulsion to the subject matter, this was a page turner for me." -- Marcy O'Dell (reviewed on Goodreads)KurzbeschreibungA FEMA crisis manager by day and serial killer by night becomes romantically involved with the FBI unit chief hunting him down.
