Sandman Slim rockt!Von VillanovaIch habe die GESchichten von Richard Kadrey um Sandman Slim von Band 1 an gelesen. Ich mag den Hauptdarsteller. Er ist nicht so nette, strahlende Held sondern direkt, verzichtet auf Feinfhigkeit und haut rein wo er nur kann. Ob er sich mit den Bewohnern der Hlle prgelt, alte Gtter bekmpft oder den Mord am Tod aufklrt. Es macht einfach Spa, seine Stories zu lesen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Extremely funny, as always.Von CustomerMr. Stark always amuses. Good read, as all the books from the series. To be

recommended for all Urban Fantasy fans

Kurzbeschreibung Sandman Slim investigates Deaths death in this hip, propulsive urban fantasy through a phantasmagoric LA rife with murder, mayhem, and magic. James Stark has met his share of demons and angels, on earth and beyond. Now, hes come face to face with the one entity few care to meet: Death. Someone has tried to kill Deathripping the heart right out of himor rather the body hes inhabiting. Death needs Sandman Slims help: he believes anyone who can beat Lucifer and the old gods at their own game is the only one who can solve his murder. Stark follows a sordid trail deep into LAs subterranean world, from vampire-infested nightclubs to talent agencies specializing in mad ghosts, from Weimar Republic mystical societies to sleazy supernatural underground fight and sex clubs. Along the way he meets a mysterious girl distinguished by a pair of graveyard eyes as badass as Slim: she happens to be the only person who ever outwitted Death. But escaping her demise has had dire consequences for the rest of the world . . . and a few others. For years, Slim has been fighting cosmic forces bent on destroying Heaven, Hell, and Earth. This time, the battle is right here on the gritty streets of the City of Angels, where a very clever, very ballsy killer lies in wait. Pressestimmen Kadreys done amazing work keeping one of literatures great anti-heroes in adventures this long, and Killing Pretty proves that he isnt slowing down. (Cory Doctorow on KILLING PRETTY) If your tastes trend to noir grit and L.A. cool, Slim is your man. (Barnes Noble Sci-Fi Fantasy Blog on KILLING PRETTY) Kadreys fantastic seventh Sandman Slim installment rivals the first. (RT Booklovers Magazine, Top Pick on KILLING PRETTY) Six years after stumbling into Sandman Slims seedy, seamy world, Im still hungry to go back every time. To get lost in it. I have yet to be disappointed. But if this is escapism, its the most masochistic kind I can imagine.
