**Von DD Barant : Killing Rocks: The Bloodhound Files** before purchasing it in order to gage whether or not it would be worth my time, and all praised Killing Rocks: The Bloodhound Files:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely great!Von Kelly de HaanThis fantasy series is fun, interesting and original, and still manages to have vampires and werewolves. You're doing yourself a disservice if you don't try it out, especially if you like the Dresden

Files, Charlaine Harris, Laurell K. Hamilton or Karen Chance. Try it! Really!

Kurzbeschreibung FBI profiler Jace Valchek's ticket home from the twisted parallel universe where she's been called to duty hinges on the capture of serial killer Aristotle Stoker and an alliance with a sorcerer known as Asher. The problem: Asher has joined forces with some of the most dangerous creatures Jace has ever encountered. The solution: There is none, without Asher's help. Jace's goal seems simple enough to get her man, like always. But just hours after she arrives in Vegas, she's abducted and she isn't even sure who the real enemy is. Now Jace has to wonder if she's the predator or the prey in a very dangerous game that could change not only her fate, but the world's. Meanwhile, a serial killer is still on the loose. In *Killing Rocks*, the third installment in DD Barant's fantasy-mystery series *The Bloodhound Files*, the stakes are higher than ever, and time has already run out. *Pressestimmen* "Engrosing... Jace is remarkable, strong-willed, and smart, and she sets an unstoppable pace." - *Publisher's Weekly* (starred review).
