Von L. M. (Lucy Maud) Montgomery : Kilmeny of the Orchard (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kilmeny of the Orchard (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Not so great Von Ein Kunde I've read the majority of LMM's books, and have liked to loved most of them. This is the only one that I've really found to be a disappointment. I agree with many of the other reviewers; the characters were flat, the ending was too predictable, and the book itself was overly sugary. It wasn't a horrid book, because LMM is too good of an author to write a horrid book, but it definitely wasn't good. I would steer away from this one if I were you (and I

agree with one of the other reviewers; if you're looking for some good LMM, try "The Blue Castle").0 von 0 Kunden fanden die folgende Rezension hilfreich. Fans of Anne, Emily, Valancy, Pat, Jane, and Marigold bewareVon Ein KundeKilmeny of the Orchard is my absolute LEAST favorite LM Montgomery novel. It has the usual wonderfully descriptive nature passages that we expect from the PEI author, but that's where the similarities to her other novels end. Her heroine is a beautiful, violin-playing cardboard cut-out. She is actually waiting to be rescued instead of actively searching for her destiny. Her earnest young suitor is also conceited and condescending. As for the ending, it is wildly dramatic, and would be laughable if Montgomery were any less of a writer. In short, the book is beautifully written, but has no substance. I felt as if I were reading a gothic novel that had somehow found itself unfolding in Canada, and it made me wish Montgomery had taken Mr. Harrison's advice to Anne: "Write what you KNOW"0 von 0 Kunden fanden die folgende Rezension hilfreich. The most enrapturing, fairy tale romance of all time!Von Ein KundeThe is absolutely my favorite romance. Eric, a young schoolmaster, substituting on a whim for a friend in the little town of Linsay, Prince Edward Island, finds an old abandoned orchard. In it, an exquisitely beautiful girl plays the hours away on her violin. No one in Lindsay has ever seen her because she is mute, believes she is ugly, and will not go anywhere outside of her uncle's farm. Will her Kilmeny's love for Eric lead her to overcome her fear of people enough to marry him
