Von Erica Stevens : Kindled (Book 3 The Kindred Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kindled (Book 3 The Kindred Series) (English Edition):

I am not one person to stop a series somewhere in the middle and yes, it is an entertaining story, but I'm not that happy with the editing. The author repeats the words over and over and doesn't use synonyms, she uses good phrases more than once in the book (but the reader remembers!), the characters asks themselves the same questions all the time and the author really loves to write "Devon...", "Cassie...", "Devon..." all the time. Sometimes I think she just uses them to fill the space and doesn't try to fill out discussions or interactions in another way. So the content and the story would be fine but the writing quality is not so good in my opinion.

Kurzbeschreibung Edited by Leslie Mitchell at G2 Freelance Editing and re-released 9/3/13. Fueled by rage and a thirst for revenge, Cassie no longer recognizes the person she has become. Determined to destroy Julian, no matter what the cost, Cassie pushes away the ones that love her most. Though she tries to deny it and fights against it, Devon's love may be the only thing that can bring her back from the brink of madness she is teetering on. Just when she's starting to come to terms with her grief, a startling revelation threatens to unravel everything she has always known. Her bond with Devon is severely tested as a new enemy rises to tear them apart. An enemy Cassie never could have foreseen, but one that may be even deadlier, and far more ruthless than any vampire she has ever faced. Torn from her friends and Devon, Cassie is stunned to find herself having to rely on the man she hates the most, Julian. Together, Cassie and Julian struggle to survive an adversary that is determined to destroy them both. Book 3 of 5 in the completed Kindred Series. Recommended Reading Order: Kindred (Book 1) Ashes (Book 2) Kindled (Book 3) Inferno (Book 4) Phoenix Rising (Book 5) If you enjoy the Kindred Series, you may also enjoy the spinoff Fire and Ice Series which is now complete. Recommended Reading Order: Frost Burn (Book 1) Arctic Fire (Book 2) Scorched Ice (Book 3) The Kindred Series is a young adult fictional story that includes some language, violence, and mild sexual situations.

It is a pen name that I chose in memory of two amazing friends lost too soon, I do however live in Mass with my wonderful husband and our puppy, Loki. I have a large and crazy family that I fit in well with. I am thankful every day for the love and laughter they have brought to my life. I have always loved to write and am an avid reader.
