Sehr gut geschrieben, mit elaborierten Charakteren und eine spannende Geschichte. Die Story: Cassie ist eine junge Frau mit aussergewöhnliche Fligkeiten: sie ist ein

"Hunter", eine Vampirjägerin (nicht mit Buffy zu vergleichen!). Zusammen mit ihre zwei Freunde, Chris und Melissa, jagt sie Vampire aus ihre Kleinstadt. Diese Jger haben jeweils eine Gabe: Chris kann die Gefhle eines Menschens spren, Melissa hat Visionen, doch Cassie hat keine Gabe (ausser ihre Kraft und Geschwindigkeit).Eines Tages erscheint ein neuer Schler, Devon, und es funkelt zwischen den beiden. Doch Devon hat einen Geheimniss...Als eine groe Gefahr droht, kommt die Wahrheit ans Licht.Die Geschichte ist sehr gut geschrieben! Das Buch kann man, laut Autorin, ab 15 lesen und so ist es auch. Ausser Kssen und Kuschnen passiert nichts, aber die erotische Spannung ist deutlich zu spren =)Bis jetzt gibt es 4 Kindred-Bcher, an das fnfte wird gerade geschrieben und es ist auch gut so, denn diese Serie macht schtig!!Ich kann es nur empfehlen!0 von 0 Kunden fanden die folgende Rezension hilfreich. good bookVon Elodie ColtIn general not a bad story (I don't say "great" as I do have higher standards since I've already read so many YA fiction books, the good ones as well as the bad ones). But things like "he's a vampire and can't withstand her scent" is copied from Twilight and the fact that vampires can't step over doorways as long as they're not invited is copied from Vampire Diaries. I understand that there are vampire "cliches" that are always the same but there are some that are only meant for the original story, otherwise it's just old wine in new skins. And I do question why Devon is so much in love with Cassie - the love and obsession are just "there", there is no real explanation except that he fell in love with her pure heart (which he didn't know about when he first saw her). So I somehow missed the deeper meanings. I will continue to read the series in hopes of getting a better insight in the story, but to be honest I doubt that there is going to be a "Wow"-effect in one of the following books.0 von 0 Kunden fanden die folgende Rezension hilfreich. Story??Von BookwormHaving read the book I somehow never got the feeling of getting into the story. Somehow the book just never seemed to leave what I would call the starting chapter. I mean if this goes on for 3 chapters or so fine, but here the story never truly seemed to start. So a disappointing read.

KurzbeschreibungEdited by Leslie Mitchell at G2 Freelance Editing and re-released 8/20/13. What do you do when the one you love is also your worst enemy? Trapped in a destiny she does not want, Cassie finds herself lost and adrift, until he walks into her life, turning it upside down and awakening her in ways that she never dreamed possible. Cassie is stunned and devastated to learn that she belongs to a long line of vampire slayers known as The Hunters. A murderous rampage by a group of elder vampires has left the Hunter line decimated and the remaining Hunters scattered around the world. With her friends Chris and Melissa's aid, Cassie struggles to rid the world of the monsters that murdered her parents. Though Cassie knows it is her fate, she chafes against her heritage, and is resentful of the shortened lifespan that has been placed upon her by the circumstances of birth. Struggling to get through every day, Cassie finds herself simply going through the motions of living. That is, until Devon arrives. Tall, dark, and mysterious his arrival turns the school, and Cassie's life, upside down. Fighting against her fierce attraction to him, and the chaos he represents in her carefully ordered days, she is irresistibly drawn to him. Though worried that what she truly is will place Devon in danger, she is unable to fight her feelings for him. He is the one light, and the only source of hope she has in a world that revolves around death and fear. What she does not know is that Devon has some dark secrets of his own, secrets even more frightening and dangerous than hers. Secrets that threaten to tear them apart forever.Book 1 of 5This is a young adult fictional story that includes some language, violence, and mild sexual situations. Recommended for ages fifteen and up. Cover art by [www.EbookLaunch.com](http://www.EbookLaunch.com)KurzbeschreibungEdited by Leslie Mitchell at G2 Freelance Editing and re-released 8/20/13.
