Von J. D. Robb : Kindred In Death (In Death, Book 29) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kindred In Death (In Death, Book 29):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A very good part of the seriesVon S. FischerWhen a policeman's daughter is found brutally raped and murdered, it's personal

for the whole department. It's even more so for police detective Eve Dallas, whose violent childhood makes her identify all the more with the victim. At first it seems like the killer committed the perfect crime and hid all traces of who he is. But hard work and good instincts lead Eve and her husband Roarke, who helps her with the electronics part of the investigation, on the trace of a young man who blames the girl's father for a tragedy in his own past... This is a well-told crime novel with an intelligent plot. The regular characters are already well-established and there's not much new there, but they are always enjoyable and Eve and Roarke's development is credible and well-done. I enjoyed the book and would recommend it, as well as the whole series. This is already the 29th novel in the series, so I really would recommend to start with 'Naked in death' if you don't know Eve Dallas yet. If you already know the series: This is a very good new novel in it. 7 von 8 Kunden fanden die folgende Rezension hilfreich. A new breathtaking and horrible case - the series just gets better and better!!! Von Katzenjammer123 The horrible rape/murder of young and innocent Deena, daughter of Captain Jonah McMasters, shocks the whole NYPD. Instead of enjoying some much needed time with Roarke Eve has to deal with one of her worst cases. It's soon clear to her that Deena was just means to an end and that her unspeakable suffering was a way to take revenge against her father, who's head of the NYPD drug squad. Eve and her team work 24 hours to solve the case because they know that killing Deena was only the first act. Searching in McMasters past brings them closer to the killer but not near enough to prevent a second horrible rape/murder. Now it's up to Eve and her team to outwit the murderer and rescue his next victims. "Kindred in Death" is an awesome book but it was still hard to read for me. The murders are just so brutal and horrible and because I'm a big sissy I had to force myself to read through the really bad parts. The book plays within a few days but there are so many bad things happening that it seems longer. The search for the killer is breathtaking and I couldn't lay the book down before they finally had him. One thing was clear after the first few pages. There will never be justice for the torture, rape and murder of an innocent, young girl and of a bride just days before her wedding. Sometimes life just sucks and to accept it is not always easy. The books focuses mainly on the case but there are still some private and funny moments (thank god for that). I especially enjoyed reading about the preparations for the upcoming wedding of Charles and Louise. Of course Eve doesn't understand or even cares about all the small details regarding the wedding and it's so funny when she has to deal with them. But still she is a loyal and good friend for Louise when it comes to the important things (even if it means that she has to deal with Trina). Roarke is like he is 99% of the time - just perfect. He and Summerset are very affected by the murders because they remind them of what Marlena had to endure. Roarke works hard to help Eve deal with the case and her own memories. For the first time in the series Eve seems to get a better handle on her violent and disturbing dreams. She realizes that compared to Deena she was lucky enough to be able to defend herself against her father. Because of that she finally seems to understand that killing her father was not bad at all. To be honest I had to cry when reading this scene because it's something I wished for Eve to realize for so long. It's also nice to meet Jamie Lingstrom again and to see how his life has changed. He's still so sure about being a cop after college. I guess this time Roarke will have to accept defeat because he just can't lure Jamie with his money. So all in all "Kindred in Death" is an awesome book and J.D. Robb continues to amaze me. Even after 30 books the series just gets better and better and is never boring or just average. But still I'm very relieved that "Fantasy in Death" (coming January, 2010) will deal with a different kind of murder. 0 von 0 Kunden fanden die folgende Rezension hilfreich. einfach wunderbar Von Kindle-Kunde Die Autorin hat es mal wieder geschafft ein tolles Buch abzuliefern. Und als Fan kann man diese Buch wieder voll verschlingen. Einfach Wunderbar !

Kurzbeschreibung Lieutenant Eve Dallas scours New York City for the sadistic killer who murdered her captain's teenage daughter in this futuristic thriller from #1 New York Times bestselling author J. D. Robb. When the newly promoted captain of the NYPSD and his wife return a day early from their vacation, they are looking forward to spending time with their bright and vivacious sixteen-year-old daughter, who stayed behind. Not even their worst nightmares could prepare them for the crime scene that awaits them instead. Deena has been brutally murdered in her bedroom, and her body shows signs of trauma that horrifies even the toughest of cops, including Lieutenant Eve Dallas, who is specifically requested by the captain to investigate. When the evidence starts to pile up, Dallas and her team think they are about to arrest their perpetrator; little do they know that someone has gone to great lengths to tease and taunt them by using a variety of identities. Overconfidence can lead to careless mistakes. But for Dallas, one mistake might be all she needs to serve justice. From the Paperback edition. Pressestimmen Robb combines sex, horrific crime, forensics and technological wizardry for another winner sure to please her many fans. Publishers Weekly The emotional quotient is high in this chapter of the long-running and truly excellent In Death series. One key to its longevity is that each succeeding book adds new layers of complexity to Eve, Roarke and the rest of Robb's supporting players. Robb's ability to take readers from emotional highs to lows and insert a clever mystery is why this series never gets old. RT Book s More Praise for the In Death series Robb is a virtuoso. Seattle Post-Intelligencer Its Law Order: SVU in the future. Entertainment Weekly J. D. Robb's In Death novels are cant-miss pleasures. #1 New York Times bestselling author Harlan Coben Anchored by terrific characters, sudden twists that spin the whole narrative on a dime,

and a thrills-to-chills ration that will raise the neck hairs of even the most jaded reader, the J. D. Robb books are the epitome of great popular fiction. New York Times bestselling author Dennis Lehane Werbetext The new and reissued J. D. Robb classic from the 'In Death' series, in which Eve Dallas is given one of her most dangerous assignments yet, to track down a killer hell-bent on revenge.
