Von Katharine Eliska Kimbriel, Cat Kimbriel : Kindred Rites (Night Calls Series Book 2) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Kindred Rites (Night Calls Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Already awaiting the third!!!Von Ein KundeI stumbled upon this book by accident. I was looking for a horror about witchcraft and found this book instead. Since I am not an avid Fantasy reader I was hesitant to start this book, but once I did there was no turning back!! I found Allie to be a character with whom all ages can relate to even though she is only thirteen

in the novel. I absolutely can not wait for the next book in this series!!! I seriously hope there will be one because I am looking forward to watching this young heroine grow up and develop her already massive powers.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ms. Kimbriel has great empathy for a girl growing up hard...Von Ein KundeNight-Calls introduced us to Allie--a young woman living in a hard world who suddenly learns she has The Gift. It's not easy, being the only girl, and being that different, but Allie copes well, and reminds us all that there's more to life than simply following the herd off the cliff. The world is very well-rounded, and so are all the characters--it's an exciting read and one I sincerely recommend.0 von 0 Kunden fanden die folgende Rezension hilfreich. A highly enjoyable readVon Ein KundeThis book is one of my favorites and has been re-read often. Allie is totally engaging and her common sense and practicality are very refreshing. I am eagerly awaiting the next installment in the series.

Kurzbeschreibung"...we are all Deaths pupils, we practitionersstudents of the great healer."When magic broke free in my blood, I chose to follow our ancient family path and become a practitioner. I'm learning to heal, and to protect innocents. I dip into minds, stalk vampires, and set wards by the light of the moon. I can hear the children of the night calling.But there are other families...and other paths. Families with twisted ambitions and frightening powers. On the frontier, folk whisper that one clan is the most dangerous of all.Chief among those dark sorcerers is a man known as the Keeper of Souls.And now he wants to keep mine.*****REVIEWS:"With a clear, distinctive voice, Katharine Kimbriel invents and re-invents magic on Americas frontier"--Jane Yolen, the award-winning author of Briar Roseonce in a very great while I find something I wish Id read thirty years before it was ever published.These books do not let you rest. Allie is constantly in heart-thumping danger, being tested by benevolent and evil forces, by her human teachers, by human enemies, and by adult-sized moral questions, though she begins at age eleven."Sleeping Hedgehog"charming...unusual...delightful...definitely worth checking out" -- Locus Magazine"It is good to see this back--the Alfreda stories are one of the reasons YA is so dynamic today. ...Little House on the Prairie meets Harry Potter, with a dash of Stephen King."--Sherwood Smith, author of Crown Duel"This is one of the best historical dark fantasies Ive ever read. ...If youve not read any of Katharine Eliska Kimbriels books yet, whats stopping you?"--Shiny Book Kurzbeschreibung"...we are all Deaths pupils, we practitionersstudents of the great healer."When magic broke free in my blood, I chose to follow our ancient family path and become a practitioner.
