KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The magic goes on...Von LenaRibkaEdmond Manning is an amazing storyteller. To witness a playful ease, with that he flirts, juggles with words, phrases and expressions is H-Y-P-N-O-T-I-C.It is the second book in the series and IT IS

NOT a standalone, you have to read the first book, KING PERRY to understand the concept of the story. It is why I don't want to waste time with it and come directly to the ending. The most beautiful, the most mesmerizing part of the book. HEARTBREAKING. EMOTIONAL. I resisted but he got me. With the ending. It deserves alone many many many shining stars!! Edmond Manning can write an outstanding ending. Yes, it is true, not a lot of authors can do it on this strong emotional chord. HE CAN!! You read the last chapter, the last paragraph, the last sentence, the last line, the last word and...you think...no, you can't think at all. YOU.ARE.SPEECHLESS. AGAIN. WOW..., IT WAS STUNNING!!!!!! I will wait WITH ALL MY PATIENCE for a next book!!!!
