Und die auch die

historischen Hintergrnde live erleben lassen. Erst wollte ich die komplette Triologie ordern - gottseidank habe ich das nicht gemacht. Ich kann vor diesem langweiligen Geschreibsel nur warnen!! Absolut hands-off!! Ich werde das Buch jetzt gleich in den Kamin werfen, da gibt es wenigstens noch etwas Wrme ab.....

Kurzbeschreibung King's Man by Tim Severin is the thrilling third volume in the captivating Viking trilogy - an epic adventure in a world full of Norse mythology and bloodthirsty battles. Constantinople, 1035: Thorgils has become a member of the Varangian lifeguard and witnesses the glories of the richest city on earth but also the murderous ways of the imperial family. Under the leadership of warrior chief Harald Sigurdsson he is set up as the unwitting bait in a deadly ambush to destroy Arab pirates harassing the Byzantine shipping lanes in the Mediterranean. When Harald eventually ascends the throne of Norway, his liegeman Thorgils is despatched on a secret mission to Duke William of Normandy with a plan to coordinate the twin invasions of England. On 20 September 1066 Haralds fleet of three hundred ships sails up the Ouse, confident of success, but a prophetic dream warns Thorgils that Duke William has duped his allies and the Norsemen are heading for disaster at Stamford Bridge. Thorgils embarks upon a race against time to reach and warn his liege lord before the battle begins. But will Odinns devout follower really be able to anticipate what fate has decreed and save the heritage of his Viking ancestors?**Pressestimmen** Steeped in bloody battles and brooding Norse mythology, this epic saga follows the exploits of Viking adventurer Thorgils Leiffson. A fine, page-turning trio of tales that sweeps the reader back in time.**Werbetext** The dazzling sequel to Odinn's Child and Sworn Brother, King's Man is the triumphant conclusion to the epic Viking adventure.
