Kingdom Collection 1-3 Von Mic That was something totally different and therefore very refreshing ! I loved the way how the old fairytales are woven within a modern story and still have the magic sparkeling all throughout the stories. Here are the first three with "The Mad Hatter", "Gerard...the bad boy out of Beauty and the Beast" and "The big bad Wolf" Each of them is uniquely written, with the background of the old fairytale story....but oh boy...so much hotter and in an adult version ;) loved it The only reason I gave 4 instead of 5 stars is, that the stories are not quite well written, with as much detail....and I mean detail in the emotional base of the characters and their relationship...and development how this is happening....that would have been better...but still it was a great read and I enjoyed it a lot !

Aber Achtung: Wer sich erst einmal in Marie Halls Kingdom verliert, der wird auch den ganzen Rest der Reihe - und die folgende (Dark Princesses) kaufen wollen, weil ihre Mrchenwelt so faszinierend, vielfltig, sinnlich, spannend und amsant ist, dass man einfach nicht aufhren kann

Von Andreas Alexandra Her Mad Hatter was one of the dozens of books I downloaded when I got my Kindle, just because they were free. Lots of them were average, but this story hooked me up in a matter of minutes. The cover is great, the story is great, I loved the fairytale quality and especially the very grown-up parts! Alice and Hatter are awesome, they made me feel for them, cry for them and the unexpected twist at the end made me more than a little upset and very very happy about the ending. I enjoyed it so much that I immediately delved into the next book Red and the Wolf - and it didn't let me down at all. Hero and heroine totally took me in, how Marie Hall put a totally different spin on the old often-told fairytale was very cool and exciting and by then I was a big fan of Danika, she's one hell of a fairy godmother! To get not one, not two but even three great stories for no price at all is truly priceless - and to hear the true story of Beauty and the Beast, find out who Gerard's real beauty is, was so breathtaking I couldn't put the book down. Of course I had to have all the other Kingdom series books now - and I can recommend every single one of them. You don't believe me? Think I tell you fairytales? Go on - I dare you to download this perfect start in a wonderful series and you will see for yourself. It's free, so what do you have to lose? Nothing, only to gain hours and hours of pure reading delight. Do as I did and lose yourself in the very grown up, sexy and dangerous fairy tale world of Marie Hall!

Kurzbeschreibung THIS IS A COLLECTION OF THE FIRST 3 BOOKS. INCLUDED BONUS DELETED SCENES IN BOTH HATTER AND WOLF. Her Mad Hatter: Alice is all grown up. Running the Mad Hatter's Cupcakery and Tea Shoppe is a delicious job, until fate--and a fairy godmother with a weakness for bad boys--throws her a curveball. Now, Alice is the newest resident of Wonderland, where the Mad Hatter fuels her fantasies and thrills her body with his dark touch. The Mad Hatter may have a voice and a body made for sex, but he takes no lovers. Ever. But a determined fairy godmother has forced Alice into Wonderland--and his arms. Now, as desire and madness converge, the Hatter must decide if he will fight the fairy godmother's mating--or fight for Alice. Long length Novella ~ Approx. 40k words. Additional pages are sneak peeks to future books! This is not erotica, just a good old fashioned romance. Gerard's Beauty: A not so classic retelling of Beauty and the Beast, as seen through the eyes of the villain... Betty Hart has had it with men. Jilted in love, her life now consists of shelving books by day, watching too much Anime by night, and occasionally dressing up like a superhero on the weekends with her fellow Bleeding Heart nerds. Men are not welcome and very much unwanted. Especially the sexy Frenchman who saunters into her library reeking of alcohol and looking like he went one too many rounds in the ring. Gerard Caron is in trouble. Again. Caught with his pants down (literally) he's forced to seek asylum on Earth while his fairy godmother tries to keep Prince Charming from going all Off with his head. Maybe, messing around with the King's daughter hadn't been such a great idea after all, not that Gerard knew the silly redhead was a princess. But his fairy godmother knows the only way to save his life is to finally pair Gerard with his perfect mate, whether he's willing or not. From the moment Gerard lays eyes on the nerdy librarian he knows he must have her, but Betty is unlike any woman he's ever known. He thought Betty would come as willingly to his bed as every other woman before her, but she is a woman who demands respect and even horror of all horrors love. Is it possible for a self-proclaimed Casanova to change his ways? Long length Novella ~ Approx. 41k words of the actual story. Included in the page count are teasers from future books, thank you! This is not an erotica, but it is a good old fashioned romance. Red and Her Wolf: Long ago there lived a beautiful child. Her name was Violet. Fair of skin, with blonde hair and large blue eyes. Born of wild magic, she was a woman with a child's heart. Innocent and lovely, but not at all what she seemed--you see Violet went by another name: The Heartsong. She was the child of fairy magic, the physical manifestation of all fae kinds unbridled power. Cosseted and pampered, she grew up in isolation, never knowing who she really was, or why there were those who seek to harm her. Ewan of the Blackfoot Clan is a wolf with a problem. He's been sent to kill the Heartsong, but the moment he lays eyes on the blonde beauty he knows he'll defy the evil fae he works for to claim Violet as his own. This is the tale of Little Red Riding Hood and the Big Bad Wolf, as it really happened... This is not an erotica, just a good old fashioned romance. ber den Autor und weitere Mitwirkende Marie Hall has always had a dangerous fascination for creatures that go bump in the night. And mermaids. And of course fairies. Trolls. Unicorns. Shapeshifters. Vampires. Scottish brogues. Kilts. Beefy arms. Ummm... Bad boys! Especially the sexy ones. Which is why she married one. On top of that she's a confirmed foodie, she nearly went to culinary school and then figured out she could save a ton of money if she just watched food shows religiously! She's a self-proclaimed master chef, certified deep sea dolphin trainer, finder of leprechaun's gold at the end of the rainbow, and rumor has it she keeps the Troll King locked away in her basement. All of which is untrue, however, she does have an incredibly active imagination and loves to share her crazy thoughts with the world!
