Heie Story, aber ich bin eher der Happy End Typ und da das hier nicht der Fall ist musste ich einen Stern abziehen. Die Qualitt der Story ist super und lustig geschrieben.Leseempfehlung.

KurzbeschreibungMy name is Mandy and I'm tired of being used by cheating boyfriends. It's time to level the playing field. No, I'm not a whore, but I am what you might call a modern woman.Not until my friends decided to hook me up on a blind date did I realize just how dirty and naughty my desires are. Let's just say this guy had no idea what he was getting himself into, and when he decided to take me to a carnival for an adventurous night of seduction, he realized I'm not the timid and shy girl he thought I was.Let the Kinky Carnival Games begin. Follow Mandy in her first book as she searches for her happily ever after. Chris Genovese takes the genres you love and sets them on fire. This is a romantic comedy novella that's wild, dirty, and downright naughty.KurzbeschreibungMy name is Mandy and I'm tired of being used by cheating boyfriends. It's time to level the playing field.
