want more!!!

Kurzbeschreibung To save them all they must win back one reluctant heart again. Taylor Yates never dreamed growing up she would end up happily living with two drop-dead sexy vampires and time-hopping through their thousand years of personal history. Her life is complete...or is it? When she finds herself at the siege of Jerusalem during the first crusade, Veris doesn't know her at all and doesn't want to. Worst of all, he and Brody are total strangers, and Taylor drives a wedge in deep between them by trying to seduce Veris at their first meeting not something a lady of the day does if she wants to keep her head. Taylor and Brody must woo Veris using the customs of medieval England, win his heart and his full commitment before Jerusalem falls in four days time or when they return to their own time, their lives as they know them will be gone.... Warning: This story features two super hot alpha vampire heroes, multiple sex scenes, including anal sex, MM sexual play, and MMF sex. Do not read this book if frank sexual language and sex scenes offend you. The time-space continuum was restored to order at the end of this book. Promise.
