actually written from the view point of Phoebe, who is revenging upon Felix for her friend. He broke up with her friend and really embarrassed and hurt her, so she has talked Phoebe into making him fall in love with Phoebe, and then having Phoebe publicly dump and degrade him. It's a really great book, with a laugh on practically every page. Reminds a bit of Bridget Jones. I recommend this book to any "Singletons". 10 von 11 Kunden fanden die folgende Rezension hilfreich. i wasn't sure Von Ein Kunde about kiss chase at first, because the story takes its time to get going, but after the long start-up Fiona Walker absorbs you in her world of funny and interesting. you laugh and cry with the gorgeous characters, above all the hilarious and great couple Felix and Phoebe. Phoebe is Walker's best heroine, she's hundred times better than e.g. Juno from Snap Happy. Wish I'd have such a friend like. And I have to say that I fancy Felix rotten. He's so gorgeous that I found myself wishing he was real. His love for Phoebe is so sweet and heartwarming. I'd fall for him immediately in real life, even if he was so ruthless in the beginning. Felix and Phoebe are a wonderful couple and I suffered with them till the last page until they finally get together for good. When reading the book you wish that it would never ever end. I started right from the beginning again after I finished it and I hope so much that Fiona will write a sequel to that book one day (although i really doubt that.gosh,it's breaking my heart). For me Kiss Chase is one of the most romantic and funniest love stories I've ever read. If you like these kind of stories you'll love this great book. Promise!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Favourite Book Von gwenyfar13 My favourite book because of the nice but also complicated characters. A real love story with some interesting sideways. Love it!

Kurzbeschreibung Felix Sylvian is a charming, silken-tongued dilettante; he has the sex-appeal of a school-girl's day-dream and the soul of a poet. But he has one nasty habit he can't seem to break: a sadistic tendency to ride rough-shod over any girl foolish enough to fall for him. Saskia Seaton is Felix's latest victim. Once a beautiful, precocious, aspiring actress, she is now a suicidal wreck after a whirlwind affair with Felix and a force ten finale. Retreating to lick her wounded pride, she decides she wants poetic justice. And her friend Phoebe's the one to get it. With Saskia's help, Phoebe will become Felix's dream woman. She will pursue him across his London playground and seduce him until he falls in love with her and then she will drop him just as he has so many women in the past. But Phoebe doesn't realise that when she tries to break Felix's nasty habit, she'll find herself breaking her own heart.
