Von Ira W.Momentan "arbeite" ich mich durch die gesamte Reihe hindurch und ich muss sagen, dass mich bisher wirklich kein Buch der Reihe um die Fitzgeralds enttuscht hat. Im Gegenteil, bisher bin ich bei jedem Band sicher, dass ich ihn noch diverse Male lesen werde, einfach, weil mir sowohl

die Stories als auch die Personen unwahrscheinlich gut gefallen. Die Charaktere zeichnet aus, dass sie alle, jeder auf seine Weise, einzigartig und interessant sind. Sie sind authentisch, natürlich und die Autorin schafft es immer wieder, sie zu keinem Zeitpunkt ins Klischee abrutschen zu lassen. Wenn sie Fehler machen, bekennen sie sich dazu und versuchen, die Dinge in Ordnung zu bringen, sie benutzen ihren Verstand und sie versuchen, ihrem jeweiligen Partner den nötigen Raum zu geben und ihn nicht zu erdrücken. Auch die Männer, die in der Regel durchaus einen ausgeprägten Besitztzerinstinkt haben, schaffen es, sich so weit zurückzunehmen, dass sie Entscheidungen und Freiräume ihrer Partnerinnen respektieren. Baron Fitzgerald und Kara Michaels, die Protagonisten dieses Buches, machen hierbei keine Ausnahme. Kara, eine junge, erfolgreiche Restaurateurin, arbeitet seit fünf Jahren in Barons Kunstgalerie, doch nun möchte sie sich selbstständig machen. Das war allerdings in Barons Plan nicht vorgesehen, im Gegenteil, seine Planung sah vor, dass er nun, demnächst, dann endlich mal anfängt, Kara den Hof zu machen. Nun muss er alle Register ziehen, um Kara doch noch für sich zu gewinnen.... Die Geschichte ist gut geschrieben und fesselte mich wie auch die anderen Bände vorher, von der ersten Seite an, so dass ich das Buch nur noch aus der Hand legte, wenn es sich wirklich gar nicht vermeiden lie. Ich kann auch diesen Band der Reihe auf jeden Fall empfehlen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyable read, with great story :) Von Heavenly Good Books I have purchased this book and I was not asked by the author for a review. The whole review is 100% mine, as honest as possible. This is the third book in the series and I enjoyed it. I got so engrossed in the story that I couldn't put the book down. My thoughts: In this instalment of the series, we meet Kara Michaels, conservator working in one of the most popular Gallery of Art, but thinking of starting her new business and at the same time distance herself from handsome boss, who is occupying her thoughts and dreams. She lusts over him and tries to also forget about her feelings towards him. But nothing works as she wants. After his offer to give him 2 weeks of her time, her feelings only grow stronger, but when his past is coming back and catching on them, the betrayal is something she is not able to stand. The other main character, Baron, is a successful owner of an art gallery, who because of his past and his ex-fiance, and what she has done to him, he becomes cold, distant. Even that he is not able to deny his attraction to Kara. His employee, who he has not pursued because of the policy in his company, that he has written by himself. But after an opportunity strikes, he decides to show how great they can be together, until Valerie, his ex has come back with news that can damage their newly formed relationship. Even though I have enjoyed this book, I have to be honest and give it only 4 stars as the end really disappointed me. I thought that Baron will have to try harder to win Kara over, and his simple Sorry, was just not enough for me. But overall the whole book is an amazing story.

He is unstoppable when he wants something and he always wins. Always. When his most valuable employee decides to quit, he offers her everything to make her stay, including a week in his bed at a secluded cottage. But his offer is just the beginning. OTHER BOOKS IN THIS SERIES: SLOW BURN - Ashley Fitzgerald's story (book #1) MINE UNTIL DAWN - Jade Fitzgerald's story (book #2) DANGEROUS LOVE - Faith Fitzgerald's story (book #4) FOREVER HERS - Eddie Fitzgerald's story (book #5) FROM THE AUTHOR: To my fans, thank you for your support. You have stayed with me through bad editing and revamped covers. Without you, this series would not have become this popular. Expect more Fitzgeralds. I will always strive to publish polished books and that's why I let go of my former editor and have a new one... *hugs* Ednah Walters
