Von Rosemary Laurey : Kiss Me Forever / Love Me Forever before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiss Me Forever / Love Me Forever:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. All the trouble when you are dead...Von GreystarKiss me forever:Dixie is a typical American lady who inherited the house of some aunts in Great Britain. But it turns out that those aunts had been collecting stuff to blackmail the whole community. And some very valuable books some of which a dark but fascinating stranger named Christopher would like to purchase. Dixie is drawn to this man and when she finds him naked and almost burning in the middle of the day in her garden, she rescues him. Turns out he is a vampire - along with some other friends of his - and some bad witch-group in the city are after his powers. Suddenly, Dixie is in the way and next she finds herself as a vampire - this time saved from death by Christopher. Even though, her new friends in the vampire community never go out for revenge, she just has to get the man behind bars, who killed her.** What a fresh and funny story. The main characters as well as the secondary characters are to be loved. There are firm rules in the group but still there is leniency and a lot of long-time friendship. The men are delicious but sometimes a bit - very realistic - old fashioned or macho. But with a modern lady there is a balance. Some ideas are great the story fast-paced and easy to read but not too superficial. The love scenes are just a side line and we learn quite a bit about the rules this group of vampires lives by._____Love me forever:Stella is a single mother of a nine-year old boy. When she meets Justin, she tries to keep her head clear but fails. Before they get to know each other really, they stumble into a fight and Stella gets shot. Justin saves her by turning her into a vampire. Now what to tell her son, how to arrange a life when she can only leave at night? Just a few of the questions she faces, but at least, Justin is still at her side and with him a whole bunch of friends with the same predicament. But there are other troubles: Justin might get banned from the group, she needs to move to Great Britain and then there are two Ghouls in the house that have lost their memory and need a job.** That was fun again. Maybe it helps to have met the characters in the first story but I guess it will work without that knowledge. The man is just too good for his own good and the Lady is a hell of a modern day mother. The child gives a nice touch to the story (even though, normally I dislike children in romantic books) and there are several smaller plots going on, most of them being solved. The idea with the Ghouls is cool, they are a great help in the pace of the book. There are a few more real love-scenes and the reader almost feels at home at the community. Easy to read, never boring and full of individual characters.4 von 11 Kunden fanden die folgende Rezension hilfreich. Fantastic readVon DannyfiredragonGreat new Vampire author! Both books are real keepers. Once I started I couldn't put them down till I finished. Rosemary Laurey's Vampires are both witty and emotional as well as typical alphas! But you will love them!And I can hardly wait till the next book in the series is released. I just can recommend these books to all Vampire Romance Fans.

KurzbeschreibungKiss Me Forever He's Hot. He's Sexy. He's Romantic. He's Immortal. If there is one thing Dixie LePage does not need in her life, it's complications. And the man sitting across the table from her in a crowded English pub, the one offering to buy the library of her inherited estate in a small English village, is a major complication. For starters, there's the broad shoulders. The slightly amused smirk. That smoldering look that makes it impossible to concentrate. And that infuriating, old-fashioned, and well, okay, incredibly appealing sense of chivalry. No doubt about it, the guy is hot and sexy. Of course, there is one wee little problem: He claims to be a vampire named Christopher Marlowe, as in THE Christopher Marlowe, famous playwright, contemporary of Will Shakespeare. Right. Amend that to hot, sexy, and totally insane. Please see "no more complications." So why can't Dixie seem to resist the warmth of Christopher's charm, the protective feel of his strong hands, or the tempting pull of his full mouth when the sun goes down. . .? Love Me Forever Does This Come In My Size? Justin Corvus. That was the name of the gorgeous, dark-eyed charmer holding her hand in a sensual clasp, turning her knees into jelly. All struggling, single mother Stella Schwartz meant to do was let her son, Sam, browse through books at Dixie's Vampire Emporium. She hadn't counted on the shop assistant being a stylish super-hunk with the kind of Hugh Grant accent that makes a woman's thoughts wander through a neighborhood called Take Me Now, Please. And to top it off, the man's a sweetheart. The way he picked up on the fact that she didn't have two red cents for the Halloween costume Sam wanted but made it happen anyway? Total head-over-heels time. When Justin smiles at her, it's as if he's known her forever. . .and when he asks for her phone number--to let her know when the costume is ready, of course--Stella can't help wanting this feeling to go on forever. There's something very different about Justin Corvus. . .different and irresistible. . . For The First Time Together-- Two Unforgettable Novels Of Passion By An Extraordinary New Voice In Romance Rosemary Laurey Discover one of contemporary romance's brightest rising stars, Rosemary Laurey, in two remarkable novels complete in this volume. Enter a world where enchantment runs wild, passions are white-hot, love is deliciously unexpected, and the hero is anything but safe. Experience this dazzling new author and feel twice charmed, because with novels

this good, you won't want to stop with just one. . .Kurzbeschreibung Kiss Me Forever He's Hot. He's Sexy. He's Romantic. He's Immortal.
