OkayVon AlexandraIt was really short and after this, i read a part of the actual book and a prequel wasn't really

necessary

Kurzbeschreibung*** PREQUEL TO THE AMAZON TOP 100, USA TODAY AND NEW YORK TIMES BESTSELLER "ASHER (INKED BROTHERHOOD)" ***At fourteen, Audrey has the perfect life: great parents, great buddies, and her best friend, Asher. Only lately Asher has begun to change. He seems distant and standoffish, ignoring Audrey. Not all of the changes are bad. He's growing from a pretty boy into a handsome man, and Audrey is all too aware of that. But if they cross the line from friends to something more, will things stay the same or will she lose her best friend forever? This is not an erotic story. It is the prequel to the events that unfold in Asher and set up many of the characters of the Inked Brotherhood Series.
