Auf und abVon GrefeIch habe selten ein Buch gelesen, das mich so erschüttert hat wie dieses!Die Charaktere wirken so, als hätte die Autorin versucht, jedes erdenkliche Klischee abzudecken. Es gibt die Liebe auf den ersten Blick, den Mann, der denkt, er wäre nicht gut genug für die Frau, usw... Alles zusammen ziemlich kitschig.Die Handlung ist zuerst ganz ok, wird dann zwischenzeitlich total langweilig, sodass man berlegt, nicht einfach ein paar Seiten zu berspringen. Schliesslich kommt dann doch die erwartete Spannung auf, man möchte nicht mehr aufhören zu lesen, leidet plötzlich mit den Helden mit - und wird dann in ein ekelhaft kitschiges Ende geworfen. So viele Fragen, die einfach offen bleiben, überraschende Ereignisse, die scheinbar mit einem Schulterzucken abgetan werden...Alles in allem ist dieses Buch bei Weitem nicht so spannend, wie ich es mir vorgestellt habe. Dennoch werde ich den nächsten Teil auf jeden Fall lesen, da mich dieses offene Ende und die unbeantworteten Fragen so rgen!0 von 0 Kunden fanden die folgende Rezension hilfreich. CheapVon HeikelI could only read the first 80 pages. So I can't say anything about the middle or end of the book. But basically it's a bad po*n. The story doesn't make sense. And the main female character doesn't wake up while the main male character is licking her!?? Come on! I like fictional and erotic stories, but it should be believable.44 von 46 Kunden fanden die folgende Rezension hilfreich. Borrowed idea but the woman can write - If you like J.R. Ward check this one out!Von CassandraThe idea to this new vampire series is not new. In fact, it has quite some similarities with J.R. Ward's Black Dagger Brotherhood. Vampires are a whole different race, unable to "turn" humans. Evil enemies - in this case vampires who have fallen to Bloodlust and are now Rogues - are out to destroy the good Breed vampires, who live peacefully in small communities called Darkhaven. And a group of seven vampire warriors, sworn to protect their race, live together in a compound, an old mansion, on the outskirts of town. Sounds familiar? You bet.But contrary to a lot of the new vampire/paranormal series popping up by the dozens lately, this one managed to grab my attention with a believable plot and characters that felt real. It is not yet in the league of J. R. Ward. The dialogue is not as cool, the sex not as hot, the characters are not as dark and intriguing, and the scenes not as compelling as in the Brotherhood books. But Lara Adrian is well on her way to getting there, writing in her own style that captivates nonetheless!Her story flows and her characters are grown-up people who act in a believable way. Her heroine coming to grips with the fact that vampires exist was done in a plausible manner, not overly rushed as so often seen. Little clues were strewn in from the beginning that made her acceptance of the whole thing seem natural (it only happened in the last third of the book).All in all this was a very enjoyable read that had me glued to the pages! I'm already looking forward to the stories of the other warriors, especially Tegan, the tortured one with the dark past (aka Sherrilyn Kenyon's Zarek or J.R. Ward's Zhsadist). But Rio seems a very interesting candidate, too (to say why would be a huge spoiler because of something that happens in the book). So go and grab your own copy and find out for yourself!

Kurzbeschreibung"Evocative, enticing, erotic. Enter Lara Adrian's vampire world and be enchanted." ~J.R. WardMore than 17,000 five-star ratings on Goodreads for KISS OF MIDNIGHT!He watches her from across the crowded dance club, a sensual black-haired stranger who stirs Gabrielle Maxwell's deepest fantasies. But nothing about this night--or this man--is what it seems. For when Gabrielle witnesses a murder outside the club, reality shifts into something dark and deadly. In that shattering instant she is thrust into a realm she never knew existed--a realm where vampires stalk the shadows and a blood war is set to ignite.Lucan Thorne despises the violence carried out by his lawless brethren. A vampire himself, Lucan is a Breed warrior, sworn to protect his kind--and the unwitting humans existing alongside them--from the mounting threat of the Rogues. Lucan cannot risk binding himself to a mortal woman, but when Gabrielle is targeted by his enemies, he has no choice but to bring her into the dark underworld he commands.Here, in the arms of the Breed's formidable leader, Gabrielle will confront an extraordinary destiny of danger, seduction, and the darkest pleasures of all. . . .About the Midnight Breed seriesPart human, part otherworldly, the Breed has lived among humankind for thousands of years,maintaining a tentative peace built on secrecy, power, and the dark justice carried out by the formidable warriors of the Order.But now, a blood war within the race is set to ignite.Vampires are going Rogue in startling numbers, feeding without discretion, killing humans in the streets. It is up to the Order to stop the spreading threat of Rogue domination--and in so doing, each of the warriors will be forced to confront private demons, darkest secrets, deepest fears. Some will know triumph, some will know loss, but each warrior can count on one thing: Love, when it finds him,will often come at the worst possible moment, with the least likely woman . . . and it will bring each of these powerful males to his knees.The Midnight Breed Series reading order:A Touch of Midnight (prequel novella - free ebook)Kiss of MidnightKiss of CrimsonMidnight AwakeningMidnight RisingVeil of MidnightAshes of MidnightShades of MidnightTaken by MidnightDeeper Than MidnightA Taste of Midnight (novella, ebook only)Darker After MidnightThe Midnight Breed Series CompanionEdge of DawnMarked by Midnight (novella)Crave the NightTempted by Midnight (novella)Bound to Darkness Stroke of Midnight Defy the Dawn (Aug 31, 2016) Midnight Untamed (Oct 11, 2016) ...and more to come!Also by Lara Adrian:100 Series (Billionaire
