Von Cynthia Garner : Kiss of the Vampire (Warriors of the Rift Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiss of the Vampire (Warriors of the Rift Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Warriors

of the Rift #1 Von Detra Fitch Every seventy-three years a dimensional rift happens, caused by a certain comet making its journey through the solar system. Each time the rift occurs, many incorporeal beings from the other dimension makes their way into this one. Each being takes possession of a human body. The combination of the two essences determine what kind of creature the host will become. (Vampire, shapeshifter, demon, elf, pixie, etc.) The entire world now knows about this, but few - if any - are happy about it. The next rift will occur in two years. Most of the entities that come through the rift are criminals, but not Tobias Caine. Tobias came through the last rift chasing a criminal who had assassinated the leader of his people. Five years ago, Tobias had been dating Nix, who is a half-breed. Believing himself to be a bad influence, Tobias left her five years ago. Uncertain he could stay away from her, Tobias left the state. And had his close friend, Amarinda "Rinda" Novellus, not asked him to return, Tobias would never have come back to Arizona. Half-demon, half-human, Nix de la Fuente is accepted by neither and mistrusted by both. Nix did not come through the rift. She had been born on Earth. Nix's mother had been one of the succubi. After Nix's mother ended up killing her father, she dropped Nix off at her paternal grandmother's house and disappeared. So Nix had been raised by a woman that hated her. Today, Nix devotes herself to solving crimes between the world's mortals and its "prets". When Nix arrives to the scene of a murder and finds the victim to be her friend, Rinda, her world tilts. Then Nix learns that Tobias has been called in to help with the case. The hunger Tobias and Nix had felt for each other is still there. As they work to solve a string of violent murders, their feelings for each other begins to intensify.***

THREE STARS! This is Cynthia Garner's debut novel and the author shows great promise. Most of this book follows the main couple (and Nix's partner) as they search for clues to the killer's identity. No real danger enters the story until far into the tale. There are a few secondary characters that will (no doubt) reappear in the next segment of the series to cause trouble, such as Nix's superiors on the council. It will be interesting to see what the author does with them. Various characters in the story have complex, yet compelling, backgrounds that kept the story intriguing to me as I read. It slows down a bit in the middle, but most stories do. As for the ending, **AWESOME!** I wondered if something similar to it would happen, but did not really expect it. I closed the cover of this book while wishing that the second title was available for me to dive immediately into. I am eager to see what happens to Nix and Tobias next.

***Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Warriors of the Rift Once a generation, the rift between the paranormal world and the human world opens, allowing supernatural entities to cross. Vampire, demon, or shapeshifter, they can save the world-or send it spiraling into chaos. Half-demon, half-human, Nix de la Fuente is accepted by neither and mistrusted by both. Determined to prove she's more human than not, she devotes herself to solving crimes between the world's mortals and its most unsavory undead. But her latest case brings her face to face with the one vampire she could never resist . . .

Called in to investigate a string of violent murders, special agent Tobias Caine isn't interested in rekindling his relationship with Nix. Yet one look and the vampire knows his need for her is as strong as ever. Once, their all-consuming passion nearly cost Nix her fragile hold on her humanity. Now, as their hunger for one another intensifies, exposing them to an unimaginable danger, it could cost them both their lives.

Pressestimmen "Quick, witty banter between the three protagonists, intrigue and multidimensional characters make Kiss of the Vampire a thoroughly enjoyable introduction to Garner's Warriors of the Rift series." **USA Today on KISS OF THE VAMPIRE** "Garner introduces her intriguing new Warriors of the Rift series. Garner provides both a cool premise and interesting characters. One to watch!" **RT Books on KISS OF THE VAMPIRE** "Cynthia Garner's new series is unforgettable!" **Larissa Ione, New York Times bestselling author of Immortal Rider on KISS OF THE VAMPIRE** **THREE STARS!** This is Cynthia Garner's debut novel and the author shows great promise. Various characters in the story have complex, yet compelling, backgrounds that kept the story intriguing to me as I read. As for the ending, **AWESOME!** I wondered if something similar to it would happen, but did not really expect it. http://www.huntressreviews.com/ on KISS OF THE VAMPIRE "A deliciously dark and scorchingly sexy treat for fans of paranormal romances." **Chicago Tribune on KISS OF THE VAMPIRE** "The first Warriors of the Rift romantic urban fantasy is a refreshing look at the origin of vampires, werewolves and other myths. Fast-paced, the romantic and police procedural subplots deftly balance a strong storyline that starts off with an Arizona newspaper editorial condoning the killing of a vampire and never slows down as Cynthia Garner provides a fascinating take on the supernatural." **Harriet Klausner on KISS OF THE VAMPIRE** "An inventive spin on supernatural mythos draws readers into this fast-paced paranormal series launch... Garner (a pen name for Sherrill Quinn) shows promise with great characters, constant action, and steamy sex." **Publishers Weekly on KISS OF THE VAMPIRE** "With interesting back stories and even more interesting futures ahead Garner keeps the readers wanting more. Tobias and Nix's relationship is passion filled with hot love making and even hotter story lines. I will eagerly be awaiting the next addition in this new series." **Goodreads on KISS OF THE VAMPIRE** "KISS OF THE VAMPIRE is an amazing debut with a fresh spin on how paranormal beings came to earth. Ms. Garner's world is peppered with strong fascinating

character who come alive between the pages."FreshFiction.com on KISS OF THE VAMPIRE"4 STARS! I cannot wait for this series (Warriors of the Rift) to continue. Garner seamlessly combines paranormal romance and romantic suspense that has you on the edge of your seat."anoveladdiction on KISS OF THE VAMPIRE"I can't wait to see what Ms. Garner has coming up next!"www.nightowlreviews.com on KISS OF THE VAMPIRE"Makes for a thrilling and exciting read. Just remember to keep the light on."www.SfSite.comWerbetextCynthia Garner makes her Forever debut with a dark and sexy paranormal romance series in the vein of New York Times bestselling authors Larissa Ione, Jacquelyn Frank, and Jeaniene Frost.
