Von Jacquie D'Alessandro : Kiss the Cook (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiss the Cook (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Humorous and entertainingVon Kindle JunkieThe day the reader is introduced to Melanie Gibson couldn't get worse. Everything was going wrong for her. Seemed a bit much to me, but I survived those few paragraphs, along with Melanie. Hey, don't expect realism in romance novels ;). She's a bit of a chaotic character, but an honest one. Both she

and Chris are pleasant characters and the story is not too foreseeable. A quick and enjoyable read. 2 von 2 Kunden fanden die folgende Rezension hilfreich. (Don't) Kiss the Kook Von Susi B. Melanie Gibson (called Mel, what else?) is the owner of a catering service who needs a loan. Christopher Bishop works for the accounting firm who is supposed to assess her business for the bank. They meet and are incredibly attracted to each other, but both have a reason to not fall in love with the other person. That is all there is to this story. Really. Mel doesn't want to fall in love because she had one (one!) ex-boyfriend who cheated on her. She's in her mid-twenties, if I recall rightly. How many twenty-something women do you know who abjure all men because they were hurt by a former boyfriend? Chris doesn't want to fall in love because he wants to lead a carefree bachelor life and besides, he's really into skinny blonde model types (first few pages of the book) or curvy blonde lingerie model types (somewhat later in the book, since obviously the author couldn't decide) while Mel is auburn-haired. I'll have to admit that Chris gets over his stupid reasons for not wanting to date Mel quickly. The book is entertaining at times, which is why I don't give it a worse grade. However, Mel got on my nerves. She's stupid. She stutters and gets clumsy when Chris is around. The author runs amok with her silly "Mel's hormones are dancing a tango at the sight of Chris" jokes. Then there's Mel's grandma, who's supposed to be funny, but is just shrill and bothersome. "Kiss the Kook" would have been a more appropriate book title. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another winner for Ms. D'Alessandro Von Marcia L. Hopkins After reading "Red Roses Mean Love" I couldn't wait to read Ms. D'Alessandro's next book! I received "Kiss the Cook" from .com while working on site on a project in Dayton, OH. The charming and funny Mel Gibson and the totally bodacious Chris Bishop took me laughing through the tedium of the last days of the project and a long day traveling home. A very funny and extremely entertaining book. I highly recommend it!

Kurzbeschreibung***Get KISS THE COOK now before this special sale ends!***Jacquie D'Alessandro's classic romantic comedy is updated and better than ever! When it gets too hot in the kitchen, that's a good time to turn UP the heat! It's a recipe for mayhem when a caterer desperate for a bank loan discovers that the sexiest man she's ever met holds the future of her fledgling business in his hands. "KISS THE COOK has the humor, sometimes subtle and sometimes laugh out loud, that will endear readers to this author. Pulsating with sexual tension and a cast of marvelous characters whose dialog is fresh and filled with passion, this delicious tale is a definite keeper."--Rendezvous Magazine If you love the humor of Janet Evanovich, Mary Kay Andrews or Stephanie Bond, check out KISS THE COOK! ROMANCE BUNDLEJACQUIE D'ALESSANDRO ROMANCE BUNDLE VOL. I--A money-saving collection of contemporary romantic comedies and historical romances.Synopsis Was it the worst day of her catering career? Melanie Gibson decides it probably was. Her delivery guy got sick, her car died, she waded through a downpour holding fifteen gourmet dinners (wearing one shoe) and had the worst case of raccoon eyes when she found herself double parked next to the sexiest, crankiest, and hungriest man she'd ever met. Mel's dilemma: relationships are bad for her heart. Christopher Bishop can't resist the lure of a woman who smells like brownies and has an off-beat personality as delicious as her desserts. As he sees it, he's got two problems: first, he's not looking for love...not yet. Second, he's the accountant hired by the bank to assess Mel's business for a loan. But all their best reasons for not falling in love are about to go on the back burner-because what's simmering between them is too delicious to ignore.
