An Absolutely Sweet Heart StopperVon Bonnie WilliamsI normally prefer my romances a little on the steamy side but this story was so sweet, I could not put it down until the very last page! Don't get me wrong - the love scenes are just as heartfelt as the story is in its entirety. I absolutely loved the hero in this romance because he was so different from the typical A-Type male in most stories. Every time Stoner told himself he was still a toad with a prince's face (after his surgery) I just wanted to hug him! Every woman who reads this will wish they had a best friend like Greg Stoner.0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved this one!Von L. WardI really loved this one and can't

think of a single negative thing to say about it. I loved the hero who loves the heroine from afar with no expectation of a "happily ever after". . .and I loved the heroine who exceeds his every expectation as she looks far deeper than image to realize it's the man himself who stole her heart. The story and the characters are warm, full, and nicely developed with strengths and weaknesses. All in all a well rounded and well developed romance.0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful story!Von Ein KundeI love what the author has done with the characters in this story. The metamorphosis of friendship to love is so smooth and believable, it's enough to make you cry. The hero is absolutely adorable.
