**Von Samantha Grace : Kissed by a Scottish Rogue (Rival Rogues 2.5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kissed by a Scottish Rogue (Rival Rogues 2.5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Edith erhalt ihr verdientes Happy End, aber es fehlt einfach komplett die "Romance"Von maMadameDie Vorgeschichte von Edith Gallagher und Fergus McTaggart, der Steward von Aldmist Fell wird im 2 Teil "In Bed with a Rogue" der Serie

"Rival Rogues" erzählt, weswegen dies eher eine Verlängerung des Buches ist, wie eine Einzelgeschichte. Weswegen auch viel an Vorgeschichte hier erläutert wird, somit kann man es ohne Vorwissen verstehen, aber es macht die Geschichte als Einzelbuch nicht besser, da es fast zuviel zu erläutern gibt, da viele Handlungsstränge hier zusammenlaufen. Was eine Zusammenfassung der Geschichte an sich schwer macht. Die ganzen Stränge führen dazu, dass es dann leider zu Lasten der Liebesgeschichte von Edith Gallagher und Fergus McTaggart geht, sie wirkt einfach eher "belanglos". Dabei hätte soviel daraus gemacht werden können, die beiden können so gut streiten... aber das wird nur kurz am Anfang erwähnt und dann passiert bei ihnen zu wenig und ansonsten einfach zu viel. Wenn man es direkt im Anschluss an den 2. Teil liest, hat man eine sehr gute Buchverlängerung, dann ist es gut, aber alleine für sich genommen, kann ich es nicht empfehlen. Auch kommt kein Sex vor, was ja nicht schlimm wäre, aber auch nicht mal ein bisschen Sexyness dabei würde das hier gerade sehr gut passen. Ich fand es allgemein ok, da Edith ihr verdientes Happy End bekommt, aber es fehlt einfach komplett die "Romance" um mir wirklich zu gefallen.

Kurzbeschreibung HIS MOTHER INSISTS HE NEEDS A WIFE. Fergus McTaggart, land steward of Aldmist Fell, has no time for wife hunting. Any day his employer's long lost sisters will be arriving at the Scottish castle for a long overdue reunion, and Fergus is determined to make their stay memorable, especially for the youngest sister, who has him quite wrapped around her finger. But so far, all anyone is likely to recall are the loud rows between him and Edith Gallagher, his employer's paid companion. A woman has never bested him, but he might have met his match in the cheeky Sassenach. SHE THINKS HE NEEDS A GOOD KNOCK ON THE HEAD. Edith has been charged with watching over her employer's youngest sister and keeping her safe while the family winters at the remote estate, but a stubborn Scottish oaf and his harebrained ideas are making her job more nerve-wracking than it should be. After many heated quarrels over what is in the girls' best interests, she and Mr. McTaggart call a temporary truce for the sisters' sakes. Soon they realize their passionate battles have been masking their desire for one another, which is rather inconvenient since they cannot agree on what that means for their future.

Über den Autor und weitere Mitwirkende: Historical romance author Samantha Grace discovered the appeal of a great love story when she was just a young girl, thanks to Disney's "Robin Hood". She didn't care that Robin Hood and Maid Marian were cartoon animals. It was her first happily-ever-after experience and she didn't want the warm fuzzies to end. Now that Samantha is grown, she enjoys creating her own happy-endings for characters that spring from her imagination. Publisher's Weekly describes her stories as "fresh and romantic" with subtle humor and charm. Samantha describes romance writing as the best job ever. Part-time medical social worker, moonlighting author, and pilates nut, she enjoys a happy and hectic life with her real life hero and two kids in the Midwest.
