nice attitude according to the new power s the main char gets Here.i am looking forward to the next parts.

KurzbeschreibungAfter what can only be described as a momentous year, vampire bounty hunter Morgan Bailey is looking forward to a nice, quiet birthday. But fate has other plans. Instead of gorging on cupcakes and enjoying a private party for two with her sexy new boyfriend, Morgan is hot on the trail of a sidhe subspecies of faewhos run amok in Portland. But this is no ordinary fairy; he is as powerful as he is psychotic. And considering the supernatural nutjobs Morgan has dealt with in her time, thats saying something.To take him down, Morgan forms an uneasy alliance with the Fairy Queen and embarks upon her most outrageous adventure yet. But in the midst of the chaos, Morgan realizes there is more to this sidhe than meets the eye. And if she fails, if he achieves his endgame, it will trigger devastation unlike anyoneor anything, human or otherwisehas ever seen.KurzbeschreibungAfter what can only be described as a momentous year, vampire bounty hunter Morgan Bailey is looking forward to a nice, quiet birthday. Such a unique locale probably explains a lot about her penchant for urban fantasy post-apocalyptic sci-fi paranormal romances, but at least the neighbors are quiet. Alas, the dearth of good doughnuts in London drove her back across the pond to the land of her birth. She is the author of the Sunwalker Saga and Dragon Wars series.
