Porter delivers an entertaining Regency romanceVon Ein KundeIn 1793 England, Lady Lavinia Cashin is depressed because she always dreamed that she would marry for love. However, her destitute family desperately needs an infusion of

cash so, accompanied by her father, she sets her sights on landing a wealthy husband. Lord Garrick Armitage is a scandalous rake, known for his gambling and womanizing. Polite Society refuses to accept the second son of a nobleman, especially since his lineage is in question. However, Garrick wants Lavinia to be his forever and plans to insure that occurs. As love starts to blossom between the twosome, reality remains a harsh mistress. No permanent relationship can occur in light of the fact that her father is heading towards debtor prison and pounds to keep her sire free are remorsefully more vital to Lavinia than love. Still, Garrick has a scheme that he feels will trump Lavinia's plots to land an opulent aristocrat. His plan begins innocently with a kiss. *KISSING A STRANGER* is a diverting early regency romance that includes wonderful lead characters who charm the audience as love struggles to triumph over convenience. The support cast adds reality, especially the treatment received by Garrick and Lavinia's father from the Ton. The main story line is lighthearted, well designed, and fun to peruse, but a couple of sub plots causes unnecessary diversions. Margaret Evans Porter scribes an entertaining tale that will please sub-genre fans. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung From highly acclaimed and bestselling author Margaret Evans Porter, first novel in The Islanders Series a tale of two passionate, desperate risk-takers. Lady Lavinia Cashin and her father, an impoverished earl, leave their crumbling castle on the Isle of Man. To ensure her family's survival, Lavinia must swiftly find a wealthy husband in London. When her father is arrested for debt and lands in the Kings Bench Prison, she must persevere. Necessity forces her to accept help from unexpected and possibly untrustworthy sources. Shunned by society, the infamous and reckless gamester Lord Garrick Armitage is attracted to the mysterious Manx beauty from the moment he sees her. In London's ballrooms, during a Christmas house party, on the hunting field, and at a Newmarket race meeting, he is ever more convinced that Lavinia is the girl for him even if she doesn't realize it. Though lacking the fortune she requires in a suitor, neither can he stand aside and watch her make a marriage of convenience devoid of the love and passion they share. Lavinia must take drastic measures to save her family and risks losing Garrick forever. And neither of them knows whether her desperate return to the Isle of Man will turn out to be a journey towards happiness or heartbreak. As rich and savory as a box of fine chocolates. Teresa Medeiros, New York Times Bestseller A fast-moving story with twists and turns that will keep you enthralled. *Rendezvous* A wonderful tale of the triumph of love in the face of adversity. America Online Unique characters, a surprisingly atypical plot and a writing style that moves gracefully from start to finish. Don't miss it! New and Used Books Kept me up way past my bedtime...kept me interested...kept me entertained. romancereviews.com A must-read Margaret Evans Porter is a writer to watch, and it shows! *Affaire de Coeur* **Kurzbeschreibung** From highly acclaimed and bestselling author Margaret Evans Porter, first novel in The Islanders Series a tale of two passionate, desperate risk-takers.
