Romantic Lesbian EroticaVon DaveThe further hot and steamy adventures of Ellis. She sure does have a lot of sexual encounters, whether it be with her old lover, her new lover. a lover wannabe, or her own very lively imagination. But don't get me wrong; this is not just a series of porno scenes, loosely held together with a sentence or two here and another there, as so many so-called erotic stories are. There's a real story here too. So, run yourself a bubble-bath, pour yourself a glass of wine, and enjoy. Want more Ellis? Very exciting tale about lesbian women Von John Butcher I felt so excited about Kissing Girls. In this chapter Ellis is absolutely wonderful and better than ever. Everything about she, Paula, Katie and Lynn is gripping and astonishing. T.E. Robbins can deliver a lovely piece of true lesbian literature in just a few pages. The characters are vivid, the settings are real, the plot is nice and the writing style is very elegant. I want to read more. Please, give me more!
