Schmunzel-Momente Wobei es gibt immer, immer, immer, immer diesen Moment oder immer wieder diesen Moment gibt: redet doch einfach miteinander. Denkt das doch nicht nur, sondern spricht es auch aus,..... naja das macht wohl das Drama aus, in der Geschichte.

Kurzbeschreibung Regan Martin stopped believing in Christmas miracles six years ago when she lost everything her house, her job, and her impeccable reputation in the wine industry after she fell in love with a man she had no idea was married. Then Regan gets a chance for a fresh start in the Napa Valley. With her dream job, dream home, and her daughter enrolled in a wonderful new school, she starts wondering if holiday wishes really do come true. But she soon tumbles back down to earth when she learns that her new boss is none other than Gabe DeLuca, the scorned wife's brother. Gabe wants nothing more than home-wrecking Regan Martin out of his life, his sister's world, and his family's business. Mostly, he wants the lush beauty out of his head. Yet his attempts to run her out of town have him thinking twice, especially when he sees that Regan may hold the key to tracking down his sister's stolen start-up capital. Even worse for Gabe, Regan might just be his Christmas wish and hold the key to his heart.
