sie nach meinem Geschmack einfach nicht schnell bersetzt werden und lngst nicht jede bersetzung gut ist. Auf dieses Buch bin ich zufllig gesto, als ich in einem Forum auf der Suche nach neuen Bchern war. Zunchst fand ich das Cover nicht sehr ansprechend, weshalb ich es fast nicht gelesen htte. Im Nachhinein muss ich sagen: Es wre eine Schande gewesen, htte ich dieses Buch nicht in mein Leben gelassen. Denn so pathetisch es auch klingen mag, das Buch hat mich so gefesselt, wie lange keines mehr. Es ist mit Sicherheit das Beste, das ich in diesem Jahr gelesen habe. Man muss sowohl Ryder als auch Astrid einfach lieben. Jerilee Kaye gelingt es ganz groartig, Astrids Weg von einer "einfachen Frau mit einfachen Wnschen" in eine starke Romanheldin zu verwandeln. Astrid ist sehr nah am Wasser gebaut, was mich in anderen Bchern vielleicht gestrt htte, aber zu ihr passt es perfekt. Und Ryder... Schon allein bei seinem Namen habe ich das Bedrfnis, einen Seufzer auszustoen. Ich wnschte, ich wrde auch einen Mann wie ihn finden. Der perfekte Romanheld, ohne dabei zu cheesy zu wirken. Vor allem der turning point in der zweiten Hlfte des Buches wird den fnf Sternen gerecht, denn dadurch kann nicht nur Astrid ber sich selbst hinaus wachsen, sondern auch Ryder kann sich noch mehr in unsere Herzen schleichen, indem er sich gleich ein zweites Mal in sie verliebt. Alles in allem kann ich also nur meine uneingeschrnkte Empfehlung aussprechen und mchte der Autorin ganz herzlich danken, dass sie mir einen neuen Traummann beschert hat :) Bis vor kurzem war das Buch brigens noch auch wattpad.com kostenlos verfgrbar und dass man es jetzt auf kaufen kann, ist nur ein weiterer Indikator fr den Erfolg des Buches. Viel Spa beim Lesen, Mitfiebern und Trumen :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very relatable with a touch of fantasy Von SuminaI discovered this story some time back and was instantly hooked. One can easily relate to the main character, whose struggles, pains and insecurities are those that all of us face at some point or the other. Her Knight number one is her inner strength, which she underestimates, but it helps her overcome the obstacles that life throw at her. Her Knight number two is the support and love of her family and set of true friends who stand by her and support her in different ways. Finally, there is the perfect man, who every woman dreams of having in her life. What I like best about this book is that the main character is not only strong, independent and self-sufficient, but she also gives as good as she gets - for good or bad. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Recommended Von coco1002 Loved this, I laughed, I cried and couldn't stop reading, so set aside plenty of time, get yourself comfy and prepare to be entertained.

Kurzbeschreibung Sometimes, getting over pain and betrayal means Getting Up, Getting Even and Getting a Better Man! Astrid has planned out her perfect wedding. That is before she found out that her fiance, Bryan, is cheating on her with her cousin-slash-best-friend-slash-maid-of-honor, Geena. Worse, Bryan got Geena pregnant! And just when Astrid thought it couldn't get any worse, she received a wedding invitation telling her that her Fairy Tale wedding will happen exactly the way that she wanted it. Except that she is no longer going to be the bride! So when her parents urged her to attend the wedding "as family", she planned on the perfect revenge! She will put on a show for everyone to see. She'll show them she is better now. And she is in love with a better man. She's willing to pay a guy to pretend to be rich, successful and totally into her--even for just one night. Then she met Ryder. Totally smoking hot and quite a charmer. He makes a living as a bartender and Astrid thought he was the perfect man for the job. At the wedding, everybody thought Astrid was really with a smoking hot guy who wears Armani suits on a daily basis, drives a luxurious McLaren, and is totally in love with her. She invented the perfect guy every girl would kill to date, and every ex-boyfriend would hate to be compared with. But did she really just invent him? What if she really did kiss a frog and tamed a beast? And that her quest for revenge was really the beginning of her happily ever after.
