Von CC Gibbs : Knight Takes Queen (Knight Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knight Takes Queen (Knight Trilogy):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book Von reader In the beginning they seem to have everything, then turns and twist you did not see coming change their lives dramatically. The last book of this trilogy was different from the previous two books because you could definitely see how Katherine dramatically changed Dominics life. I loved watching Dominics transformation

throughout the series. Its easy to write him off in the beginning, he is an arrogant, self centered, playboy. The more you get to know him and see the ins and outs of why he is the way he is, its hard not to fall in love. By the epilogue I was 100% head over heels for Nick. Well sooner then that, but you get the point. We are able to see how Dominic learns all of his power, expertise and wealth means nothing in the way of the world as everyone else experiences it. We see him learning lessons of humility and compromise; acknowledging he may be just like any other person in some situation... not able to command the results he so desperately wants. He reevaluates; he accesses; and he attacks in a way foreign to him.... He learns to love, share and give in ways that do not involve his wealth or power... He gives of himself to Katherine and in giving to her... he finds he receives much much more. Katherine, in turn learns how to be who she needs to be in spite of her overwhelming desire and love she has for Dominic. Her strength in confronting him and fighting for what she wants and he fears is something they both need. It was so much fun to read this series, the epilogue suggests that there might be a book about his niece.

Im letzten Band kommt endlich ein wenig von dem zusammen, was ich mir als Leser doch teilweise stark wnsche. Das Leben eben. Keines aus einem Hochglanzprospekt, sondern echtes Leben. Die Autorin hat bis zu diesem Band gebraucht, um das in ihre Geschichte zu verpacken. Aus meiner Sicht, kann man Band 2 der Story auslassen und von Band 1 gleich zu diesem hier springen. Hier ist - versprochen - endlich mal was los. Nicht nur zwischen den Laken!

Von Sandra... konnte die ganze Serie kaum aus der Hand legen, super! Es lohnt sich wirklicih alle 3 Bcher zu lesen. Sehr gut.

Kurzbeschreibung Kate knows the irresistibile attraction she feels for Dominic Knight could forfeit her chance at happiness, but she's finding it impossible to stay away... Knight Takes Queen is the final instalment in a trilogy featuring the clever and sensitive Katherine Hart and her indomitable billionaire lover, Dominic Knight.
