Von Linda Lael Miller : Knights (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knights (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Interesting idea but flat characters. Von miry@netmedia.net.il The book started out with a very interesting idea as a child slipped through a time gate. I was really sorry to see that we never really understood the attraction between the main characters unless one considers sex a reason to love someone. The characters never had anything in common and I was never convinced that they even had a reason to like each other. The plot was vague and I spent much time wondering why she was always so miserable. I know that the entire story could have been better plotted and with more character depths and we all would have been riveted. Better luck next time. 0 von 0 Kunden fanden die folgende Rezension hilfreich. *Gloriana's Knights, Wonderful* Von Ein Kunde This was my first Linda Lael Miller novel, and I found it extraordinary. This coincidentally was my introduction to romance literature. I felt the character of Dean St. Gregory was a strong and very masculine man. And it was easy to see why Gloriana fell in love with him, who wouldn't be? The theme of time travel I found was not as appealing as the rest of the novel, however it did add some depth and spontaneity to the story line. Combined with the gallantry of the knights and castles of the 13th century, and the colourfulness of the characters. This is a great novel for an introduction to Romance. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not one of Linda Lael Miller's best books/stories. Von Ein Kunde I find the story line a bit disjointed and impersonal.... Ms. Miller's books are often centered around characters one can identify with. Megan/Gloriana seems superficial... more preoccupied with sex than with character. It is quite difficult to explain her attraction to her husband. (I read this book today and cannot recall the name of her husband).

Kurzbeschreibung In medieval England, Gloriana, Lady of Kenbrook, awaits her husband, Dane St. Gregory, whom she has not seen since childhood. She is stunned to discover that he has returned with a betrothed; beautiful Gloriana is to be cast into a nunnery. Dane's mysterious sister-in-law, Elaina, counsels her to win Dane's heart or see the entire Kenbrook line imperiled. Entranced by her passionate will, he cannot resist Gloriana's potent charm, while she falls ever more deeply in love with Dane, her valiant swordsman. But their newfound happiness is brief -- suddenly, Gloriana is swept across the chasm of time to a dazzling future. Trapped centuries apart, Gloriana and Dane suffer the torment of their longing, knowing that only their love for one another and the strength of their desire can reunite them at last.
