Black Swan Collected Tales, Books 4-6 (Knights of Black Swan, Box Set)Von Merissa SheppardIf you're thinking of reading this, then make sure you have read books 1-3 first! I know it sounds obvious but this is a series that does run on from the last one. It will make more sense if you start at book 1, My Familiar Stranger, which is FREE.I can't praise this series highly enough. It is incredibly well written with a storyline that grabs you and won't let go. The characters are believe, saucy and funny. If you're like me, you'll fall in love with most of them :DIf you like fantasy, romance and action then I will definitely recommend this series!0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut - aber die ersten drei Bnde sind fesselnderVon merireIch war nach dem ersten drei Bnden so gefesselt, dass ich mich dazu entschloss, gleich den ganzen Rest zu kaufen. Die ganze Reihe lest sich gut - aber die erste Hlfte ist meines Erachtens die bessere. Irgendwann gegen Ende hatte ich das Gefhl, dass die Geschichte mehr pltschert als fesselt... Deshalb nur 4 Sterne.

Desperate for a solution, the king grudgingly turns to Black Swan for help and gets assistance introducing the young males to a human world with the opposite problem... too many girls. Accompanying the demon Deliverance on an errand, Stalkson Grey shocks even himself by kidnapping a bride. Meanwhile, Black Swan stumbles on the shocking truth about the origin of the vampire virus when Jefferson Unit grudgingly hosts immortal teenage vampires acting out their version of Animal House. #5 Gathering Storm Black Swan Knight, Sir Engel Storm, isn't himself. His close friends figure out that the demon Deliverance has misplaced Storm and substituted a copy from another dimension. While trying to find the real Storm, his friends pull out all the stops to salvage his image and reputation before it's shredded beyond repair. A second wave assassination team from Elora Laiken's dimension of origin arrives at Jefferson Unit at the worst possible time, when it's been left to be defended only by the misfits of Z Team, the rookie Glendennon Catch, the Lady Elora Laiken, and the boys in training who may someday make the cut and become knights of Black Swan. #6 A Tale of Two Kingdoms Fae and Elves are both species who have evolved to respond to one fated lover with whom they will mate for life. Duff Torquil is heir to Scotia, the kingdom of Fae, who have been at war with the Irish Elves for over two thousand years. His predestined mate is perfect for him in every way: beautiful, smart, polished, strong willed and a talented psychic. The only problem is that she also happens to be Aelsong Hawking, younger sister of the famous vampire hunter AND the only daughter of the royal house of Elves. After escaping together to establish a quiet obscure life away from both families and the political differences between elves and fae, the young lovers are captured, separated, secluded, and left to die as mated pairs of their species do when permanently parted. There's only one thing that could overcome the powerful forces conspiring against them. Divine intervention. Fortunately the angel Kellareal is divine. When he persuades the unlikely "powers that be" to get involved, the couple embarks on an epic journey through alternate dimensions of fantasy that know no limits.
