good.....Von Ein KundeWhen I first started reading this book, it was really boring. It had been hard for me to even keep reading it. But on the last 100 or so pages, it got really good. I noticed this about all the Knights books by Roland Green. I wouldn't really recommend it unless you are a dragonlance fan, and have read other DL books. All in all, it was pretty good, but not as good as many other books. If you want to read a good dragonlance book which explains a lot about the world of Krynn, get a book from a better author. All of Green's Knights books didn't really explain much about the rest of Krynn, just Istar, and they certainly weren't as good as I had hoped. But, they are worth reading I guess.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nette Geschichte, schwaches EndeVon Ein KundeDieses Buch erzählt die Geschichte von Sir Pivan, einem Dieb, der per Zufall die Kriegerlaufbahn einschlägt. Dies wird zumindest erwartet, da das Buch ja in der Warrior Series veröffentlicht wurde, aber man muss bis zum Ende des Buches warten, damit dieser Verdacht auf ein paar Seiten zusammengepresst bestätigt wird. Ansonsten ist das Buch eher ein Piratenroman mit allem was dazugehört. Die Geschichte ist eigentlich interessant nur das Ende kann halt nicht verblüffen. Schade eigentlich! Auch wurde die Idee des Diebes als Ritter bereits in 'Weasel' Luck und Galen Beknichtet bereits verwurstet. Von Ein KundeWhile I thought that the book was interesting it wasn't quite what I expected. The book is set during the time of Istar's power, but before that final Kingpriest. The characters were good, except I'm still not crazy about Haimya, but there was so much more you could do with them. Another thing was that I was expecting some jousting, some duels, honorable things like that, but instead you get a pirate adventure. It was good, but I think even I could have done better.

**Kurzbeschreibung**The Knights of Solamnia were the greatest order of chivalry in the history of Krynn. All those who wish to become Solamnic Knights must first enter as squires of the Knights of the Crown, with whom they begin their training in the virtue of loyalty. This is the story of Sir Pirvan the Wayward, whose reluctant and inauspicious beginnings as Pirvan the Spell Thief bore few clues to his potential as a Knight of the Crown. Roland J. Green is the author of the Starcruiser Shennandoa and Wandor series and numerous Conan novels, and is coauthor (with Jerry Pournelle) of the Jannisaries series. The Warriors series details the exploits of the heroes and villains of the War of the Lance.
