KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Hab was anderes erwartet...Von EmilyNach der Beschreibung zufolge hatte ich mit einer anderen Story gerechnet.

Nichtsdestotrotz fand ich den Beginn des Buches wirklich gut. Mir hat gefallen, wie Kellen und Jenna sich langsam

anfreunden und sich dieses starke Band zwischen ihnen bildet. Im Verlauf der Geschichte wird das Band verstrkt aber mir hat immer diese Chemie zwischen ihnen gefehlt. Die Szene in der Kche war ziemlich hei...doch das war's dann auch. Klar, sie verstehen sich gut und passen gut zusammen aber wo ist die Spannung? Das Buch wurde als 'sexy' und 'dark' beschrieben, doch ich finde, es ist weder das eine, noch das andere. Die Idee ist ganz gut, die Umsetzung hat jedoch zumindest mir nicht sehr zugesprochen. Fr einen gemtlichen Sonntag hat mir das Buch ausgereicht, ich wrde es jedoch nicht explizit weiterempfehlen. Von mir daher 2 Sterne.0 von 0 Kunden fanden die folgende Rezension hilfreich. Except for minor ditails a good readVon eriafThe author has apparently no knowledge whatsoever about Tatooning, or ignores it.So except for this minor detail and some slight glitches it is a really recomendable read.The heroine is refreshingly different to the usual romance-novel lead. It is hardly at all sugarcoating life and love. Well, it does here and there but who can live without that?A word of warning though: the ending is not as good as it could be, rather like a means to an end (no pun intended).Anyway except for that (I thought the ending suprisingly flat and boring) it is a well writen and entertaining novel.0 von 0 Kunden fanden die folgende Rezension hilfreich. Unbedingt lesenVon ML/GermanyTolles Buch, die ganze Serie war sehr kurzweilig zu lesen und hat mich ber alle 3 Bcher sehr gut unterhalten

KurzbeschreibungThis is not a cookie cutter romance.It is a knockdown, heartbreaking journey through friendship, love, and loss - all to find the one person who can see you clear as day, even when you've lost all sight of yourself.Kellen Coulter has a way with women. A boxer from the wrong side of town, he worked his way through the wealthy daughters at Weston High with a brilliant smile, sweet words and vacant eyes. No one gets close. No one gets through. No one knows the secrets hiding inside.No one but me. I'm the only girl he's ever let in. The only one who has ever truly seen him. When we met I was just a kid, an old soul with an open ear and a full understanding of what it was to be misunderstood by everyone around you. But even I didn't know the demons sleeping inside him. Not until now.Not until it might be too late.*Due to language and sexual content, this book is not recommended for readers under 18.All books in the North Star series can be read as standalones, though they are better, the story fuller, when enjoyed together. -Recommended Reading Order-KnockoutBrawlerRingsideKurzbeschreibungThis is not a cookie cutter romance.It is a knockdown, heartbreaking journey through friendship, love, and loss - all to find the one person who can see you clear as day, even when you've lost all sight of yourself.Kellen Coulter has a way with women.
