Von K.C. Falls : Knowing His Secret (Year of the Billionaire series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knowing His Secret (Year of the Billionaire series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Toll, aber Achtung! Von UihUij Ist nur nen Teil von einem ganzen Buch! Es empfiehlt sich gleich dieses hier zu kaufen: Year of the Billionaire - das ist quasi das ganze Buch - es besteht wohl aus 3 Teilen, macht aber so keinen Sinn! Daher unbedingt das andere nehmen!

KurzbeschreibungDeeply Emotional, Scorching Hot Read for Your KindleHe looked like the kind of man even my mother would call smokin' hot. Eventually, she did.He felt like the kind of man who didn't just break the rules, but made new ones. He led and it was follow or get out of the way.Why did a billionaire with a voice like liquid silk and a face like a bad angel take a second look at a girl in no-name jeans, with a fifteen-dollar haircut and a beat up car she calls her "Eep" because the 'J' fell off long ago?I didn't want to know why and when I thought I knew I didn't want to admit it. By the time I found his secret, it was already too late. His passion had me hooked like a drug. It didn't hurt that he pulled the people I love the most out of harm's way. A girl can get used to a knight in shining armor even when the armor has some very large dents in it.This is part one of a series. Part 2 of the Year of the Billionaire is "Taking His Risk" and is available now on Kindle. Part 3 of Year of the Billionaire is "Keeping His Promise" and is also available on .This work is approximately 33,000 words.KurzbeschreibungDeeply Emotional, Scorching Hot Read for Your KindleHe looked like the kind of man even my mother would call smokin' hot. Although you wouldn't know it by looking at me, I have a great grandparent who was a member of that Native American Tribe. Her people once lived in the very southeastern corner of Montana where I now make my home. I didn't always live in such a wide open space, though. I grew up in New York City. Much as I love the city and admire what it takes to live there, I met a kindred spirit at Columbia University and together, we found a way to take our lives from the Big Apple to the Big Sky. We haven't regretted a moment. We've got a smallish ranch where we raise cattle and keep a menagerie of other animals, too. Once or twice a year, we hire a 'ranch sitter' and take an urban vacation somewhere hitting all the restaurants, plays, museums and musical performances we can squeeze in. Then it's back to the wide open. A writer finds creativity flourishes in solitude. My fantasy world is full of characters and stories lined up and waiting for me to bring them to life. I hope you will enjoy reading them as much as I enjoy writing them.
