**Von Julie Kenner : L.A. Confidential (Mills Boon Blaze) (Sexy City Nights, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised L.A. Confidential (Mills Boon Blaze) (Sexy City Nights, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good readVon Ein KundeThis is a great book about lost loves that come back into your life. I enjoyed the book but it's always a bit of a let down when you read that a couple separates due to stubbornness and misunderstanding. That was probably a weak point in the book. But overall the characters were strong and not wishy washy.

Kurzbeschreibung Lisa Neal has one shot at regaining her place in the film industry - and she'll do anything to get it right. Ken Harper has always wanted Lisa in his bed - and now he knows just how to get her there. Lisa Neal finally has the chance to make it big in the movie business. Only, that chance hinges on gaining the cooperation of Ken Harper, a well-known player in the hip L.A. scene and the fiance Lisa walked out on five years earlier. But Ken's not the same man Lisa used to know. Now he's smooth, successful and very, very sexy. And he's willing to help Lisa out. For a price, that is.
