Von Summer Daniels : Summer's Journey: Volume One - Losing Control (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Summer's Journey: Volume One - Losing Control (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great... simple great Von N. Jaros I was taken from the first page... and I got addicted. Hope the next part of the journey is as

good as this one was. Great erotic "voice"... wonderful. Thank you Summer!

Kurzbeschreibung** 4.6 Average Stars on over 100 s! ** Come join me on my journey and find out why!Fortyish, newly divorced, searching and longing for something different. Something fulfilling and exciting, somewhere far outside my ordinary comfort zone.Come with me on my journey of discovery. Explore with me. Touch, taste and feel with me.Lots more to come following my introduction to you in this first volume of a multi-part True Romance / Erotica series.Perhaps I was being picky, but I really didnt think being able to spell orgasm without being spotted a vowel was asking too much.Approximately 6,000 words this first volume introduces the main characters and how they met.This first volume of my sexual self-discovery is the mere beginning of a sensual, sultry love affair with life, and with all the joys of being a woman.Kurzbeschreibung** 4.6 Average Stars on over 100 s! ** Come join me on my journey and find out why!Fortyish, newly divorced, searching and longing for something different.
