KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. es geht spannend weiter ...Von Kindle-Kunde"Summer's Storm" ist das zweite Buch der "Seasons Series" und setzt genau am

Ende des ersten Bandes "Winter's Heat" an. Lord Rannulfs Halbbruder Temric, der im ersten Teil mein absoluter Liebling war, verliebt sich in Philippa of Lindhurst, Rowenas Halbschwester. Es stehen alle Zeichen gegen ihre Liebe, da Philippa mit einem brutalen Lord verheiratet ist und damals die Ehe zweier Geschwisterpaaren als Inzucht galt. Was ich persönlich sehr finde, ist, dass die Figuren aus dem ersten Teil weiterhin eine Rolle im zweiten spielen und nicht nur erwähnt werden (ich fand Rannulf und Rowena einfach sympathisch). Einen Stern Abzug gibt's bei mir, weil Philippa nach meinem Geschmack zu "weich" war. Kaum Selbstachtung, Stolz oder Widerreden. Sie fügt sich in jedes erdenkbare Schicksal. Ich hätte mir für Temric eine etwas temperamentvollere Partnerin gewünscht. Trotzdem ist dieses Buch empfehlenswert und ich freue mich auf das dritte dieser Reihe! 0 von 0 Kunden fanden die folgende Rezension hilfreich. and the story continues... Von H.A.B. what i hate is that one has to search to find out which part is which, which book is the next part (follow-up) why can publishers or authors not make it easy.... who with his right mind things that the second novel after Winter, would be summer, the third will be spring, to be followed by autumn? Never mind - THE BOOK, THE STORY IS GREAT and once you read the first book and enjoyed it, as i did, you will want to read the next book :) ...i am now in Spring .. that means .. i moved on :) HAVE FUN :)

Kurzbeschreibung In a world where folk are either common or noble, Temric FitzHenry, bastard of Graistan, is neither and both. If only he had met his equal, Philippa of Lindhurst--also a bastard raised to noble expectations--before she had married. Then he discovers the abuse Philippa endures and his heart demands he steal her from her husband. As he does, he promises she'll never know pain with him. Philippa cherishes each day she spends with Temric, even though she knows their love is the deepest of sins. Although Temric has hidden them well, Philippa knows their time together cannot last, that her husband will someday find them and they will pay the ultimate price for what they've done. On that day, Philippa must find the courage to defy death and reach for the happiness that is her true legacy.
