story of angels and demons! Von Author Angie Martin**I received a free copy of this ebook from the author in exchange for my fair and honest review.** Summon Kassern by Azure Boone and Kenra Daniels is an absolute rush of a story. From page one, I was drawn in by the tale and it kept me captive straight through until the end. The book is extremely well-written with great characters that leapt off the pages. Troy and Devyn were wonderful and had me rooting for them. They had completely different lives, yet they were written so well that they seemed to belong together on the page. The storyline of the angels and demons was terrifying and exciting. This is a great paranormal story that will keep you glued to the pages! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Angels demons and hot love! Von Jim You can't go wrong when you combine good writing with the epic battle between good evil and then wrap it with the power of love! This book includes a new fascinating twist on Angels that is really fun to imagine. The authors immerse you in their world blending realistic elements with fantasy elements seamlessly. Paranormal romance fans will love this first installment of the Archangels Creed series!
