2Author: Renee JordanReviewer: Ingrid Stephanie JordanGenre: #Paranormal #WolfShifterGosh I was in trouble on the first few pages I was just so confused but than Ms. Jordan gave a synopsis of book one... I remember everything and rearing to go.Raven is a Valkyrie and Magnus is a Wolf Shifter, he is also Raven's Einherjer, a warrior bound to protect his Valkyrie. Yes, Magnus is spreading himself thin he's also the President of the Black Wolves Motorcycle Club. Having a turf war with the Blood Eagles could be deadly as it is but if other fractions get involved it will be a Blood Bath.Raven is fighting to save her man while Magnus is trying to save his old-lady, but you never know who you can trust.If you read Book 1, you will need to read Book 2. I highly recommend it before Book 3 comes out. I was gifted this ARC for an honest and truthful review.

KurzbeschreibungIs love enough to sustain Raven and Magnus's relationship when another man desires Raven's heart?Raven, a newly awakened Valkyrie, and Magnus, her shifter wolf lover, had a whirlwind courtship. Danger and adventure brought them close together. Now they are trying to build a life together. But will their different backgrounds bring them closer together or tear them apart?When an eclipse strikes the sun, a golden tear falls to the earth. If Raven doesn't retrieve the tear before the Thief, Magnus will die.Magnus is an outlaw biker. His Motorcycle Club is as important to him as Raven. But Raven doesn't understand why Magnus's silly club is more important than protecting his own life. To save Magnsus's life, Raven has only one person to turn toLoki.The handsome, hunky, billionaire god Loki desires Raven. Did Raven make the right choice when she chose Magnus, or is the sexy god the man she should be with?KurzbeschreibungIs love enough to sustain Raven and Magnus's relationship when another man desires Raven's heart?Raven, a newly awakened Valkyrie, and Magnus, her shifter wolf lover, had a whirlwind courtship.
