Nette Idee, aber...Von Feodora Vorndran... daraus htte man viel mehr machen knnen.Die Idee mit dem imaginren Freund aus der Kindheit, der pltzlich wieder da ist, finde ich wunderbar. James Pattersons Ansatz ist auch gelungen, leider gleitet

das Buch ab einem bestimmten Punkt ins Mittelma und die Vorhersehbarkeit ab. Ein Buch für einen verregneten
Sonntagnachmittag. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful touching story Von Peter
Winter What can you expect from the author of crime stories plus a writer of children books? It's just a lovely and
magic story. You'll ask yourself if Micheal is real, can they really find each other after such a long time and why Jane
can still remember everything from her childhood? This is a very romantitc and lovely story. I wonder if these two
authors are able to another book like this. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Origineller
Kitsch Von Kundenrezensionen Ein Mädchen hat einen imaginären Freund, der irgendwann verschwunden ist. Als ihr
Leben so richtig verfahren aussieht, kommt er wieder aus der Versenkung hervor und die beiden entwickeln eine
Beziehung zueinander, die ihre jeweiligen Existenzen für immer verändern sollen. Kitschig, aber interessant.

Kurzbeschreibung Jane was a sweet, funny, chubby seven-year-old, desperately seeking love from her self-obsessed
mother, Vivienne, and a father who was wrapped up in a new life with his beautiful young girlfriend. Jane's only
friend was handsome, funny, thirty-something Michael. Michael was different; no one else could see him, nor did they
believe he existed beyond the realms of Jane's very creative imagination. They would talk from morning until night.
As Jane grew older though, the time came for Michael to leave Jane's side. Jane couldn't forget him though. Over
twenty years since Michael said goodbye, Jane catches a glimpse of that unforgotten face, her heart pounding, she
can't believe it is true - could it really be Michael? This time though Michael isn't just a figment of her imagination.
But will the path of true love be a smooth one? And will Jane get her happy ever after? Sundays at Tiffany's is a heart-
warming romance about a girl who until now has lived her life on the sidelines, about what it feels like to fall in love, a
tale of soulmates. Pressestimmen "What do women want? At this point in his career Mr. Patterson probably has a better
answer than Freud did." Janet Maslin, New York Times "Entertaining . . . Readers looking for a romantic escape will
enjoy [this book]." Midwest Book "A love story with an irresistible twist." Woodstock Sentinel- (Canada) Werbetext The
number one bestselling author shows his sensitive side in his heartwarming new romantic novel
