**Von Susan Mallery : Sunset Bay (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunset Bay (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. Total zufrieden!Von Kris ReviewerIch mag Susan Mallery sehr gern, und mit den Buch, und die Zustand, bin ich auch sehr

zufrieden. Ich lese Susan Mallery Bücher, aber nur auf Englisch... weil ich das komisch finden würde... sie ist mit ihrem Fans persönlich (auf Facebook) in Kontakt, und wir reden immer nur auf Englisch... ich kann's irgendwie nicht vorstellen, das alles auf Deutsch. :-). Ihr merkt wahrscheinlich, (von meiner Art des Schreibens) das ich eine Amerikanerin bin ;-) Also... die Bücher von Susan Mallery, und diesen Second-Hand Anbieter kann ich nur empfehlen! :-D

**Kurzbeschreibung** What if you got another chance at the life that got away? In an emotional story brimming with wry humor, New York Times bestselling author Susan Mallery pens a heartwarming tale of love, family, and a woman's journey of discovery. L.A. accountant Megan Greene has a successful job, a handsome cardiologist fiancé, and a doting father. Surely they make up for her estranged sister and hypochondriac mother...and a niggling sense that something, somewhere, got lost along the way. But then Megan's life falls spectacularly apart. Faced with the knowledge that neither her father nor her fiancé are the men she thought they were, she is loath to trust Travis -- the high school boyfriend who never quite left her heart. But his reappearance stirs dreams she once reluctantly packed away, and forces her to confront her relationship with her sister -- a bond that has been strained to the limit but has never quite broken. And amid the turmoil lies the promise of a future Megan never expected -- one that may turn out to contain everything she really needs....
