KlasseVon HerztributIch habe dieses Geschenk zu Weihnachten geschenkt, da mein Ex-Freund und ich beide groe

Fans sind. Ich war erst nicht sehr abgetan und zweifelnd, aber zu unrecht. Das Buch ist klasse aufgemacht und erklärt so vieles, was man so nicht mitbekommt. Rassen, wie John zu vielem kam, Familienerinnerungen oder Gegebenheiten. Sehr sehr klasse und ein absolutes Muss und eine gut angelegte Investition für jeden Fan! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Top für junge Leser, die Englisch können. Von Heidrun Auerbach Meine Enkeltochter war begeistert. Sie kennt die Serie und liest viel in Englisch. Sicherlich finde ich bald wieder ein passendes Geschenk.

Kurzbeschreibung Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and Dean Winchester lost their mother to a demonic supernatural force. In the wake of the tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner of otherworldly enemies but he also recorded his experiences hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil. Synopsis Twenty-three years ago, when Sam Winchester was a baby and his brother Dean just a toddler, they lost their mother to a mysterious and demonic supernatural force. In the aftermath of the tragedy, the boys' father John raised his sons to be warriors, teaching them about the creatures that live in the dark corners and on the back roads of America ...and how to kill them. Now Sam and Dean travel the country, ridding small towns and large cities of creatures that most people believe only exist in folklore, superstition, and nightmares.
