Von Christopher Bram : Surprising Myself: A Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Surprising Myself: A Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent book; experiences of a young man after coming out.Von Ein KundeChristopher Bram's debut novel remains my favorite. It is in the category of books that would have changed my life if I'd read it at, say, 22. It's 1970 and Joel Scherzenlieb is a young straight man at summer camp, full of dreams of brokerage houses, and fantasies of

hobnobbing with financiers. This dream all comes to a crashing halt when his father decides against his returning to the Swiss school he'd been attending. In short order his whole life comes crashing down. He has to live on his mother's farm and discovers he is in love with a guy. The book follows the twists and turns of his life and love throughout his 20's.

KurzbeschreibungSeventeen-year-old Joel cant be gay if hes straight
