Von J.C. Valentine : Surrender to Love (Night Calls Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Surrender to Love (Night Calls Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice RomanceVon Tea PSurrender to Love is a nice romance. If you are looking for a light and quick read, I would recommend this book to you. It's a litte shallow, but still entertaining.Patti and Jon are likable characters, and their first date ended really hot. Jon is a great guy, handsome, rich and a successful entrepreneur. Patti strikes as nave or a little

unconcerned regarding her current situation. She caught her boyfriend cheating on her and got fired from her job within the same week, but it seemed like it didn't really bother her. That was just strange to me. Nevertheless, the plot is good, just too predictable. There are so many different characters, sometimes I really got confused especially with all the (similar-sounding) names - Patti or Patricia, Piper and Poppy. Though Jon's parents were refreshing and adorable, the other characters seemed just to make an appearance to keep this book a part of a series. By the way, I think you could totally read this one as a standalone. Don't get me wrong, I like this book, but I'm just not over the moon about it and it didn't rock my world. And in my opinion, That First Kiss is much better.

Kurzbeschreibung After finding herself out of luck and out of love, Patricia Jacobs has written off the male species. No one but her father has ever given her the love and devotion she knows she deserves, and she's sick and tired of it. Until she collides, literally, with a man whose devastating smile and seductive charm that should be considered illegal, destroys her plans. He's everything she's ever dreamed of in a man: handsome, intelligent, successful, they share a love of cars and best of all; he looks at her like she's his light in the dark. What more could a girl ask for? Jonathon Bradshaw, destroyed by a past that has haunted his every waking moment for the last five years, isn't looking for a serious relationship, until he meets Patricia. Sweet, saucy and as hot as the summer is long, Jon can't deny the draw he has toward her. For the first time, he has hope. Determined to shake the ghosts of his past, Jon focuses on forging a future with Patti, but he's always been a master at standing in his own way. When Jon's past refuses to be forgotten, will Patti be able to live with the truth about the man who's stolen her heart?
