FANTASTIC ! AN AMAZING STORY YOU WON'T FORGET.Von Ein KundeThis book is one of Connie Mason's BEST. I've been a fan of her writing and I have never been dissipated. With this book,the story was beautifully written.I shared it with my two sisters and they too,thought it was one of those books that is a must keep, to read again and again because you can never forget it.It is worth your time, I have to say that I finish it in one day,and I don't

usually finish that quickly. If you never read Connie Mason's books, I suggest you pick this one. The characters in this book are GREAT.1 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungAimee Fortune LaMotte hated Nick Drummond, and with good reason. The rogue gambler had swindled her father out of everything he owned. And then the handsome Yankee had demanded a passionate night with Aimee to pay off her own gambling debts, leaving her with an illegitimate child in the bargain.Years later, an officer in the despised Union army, Nick reentered Aimees life as the South lay in flames. And though the beautiful belles heart cried out for revenge, she was undone by the unexpected gentleness and nobility of the man who had wronged her five years before. She could not deny the irresistible desire that drew her into the powerful, loving arms of her enemy, and forced her to Surrender to the Fury.KurzbeschreibungAimee Fortune LaMotte hated Nick Drummond, and with good reason.
