Getting a little tail never hurtVon RobynMichelle Pillow brings you to a mysterious underwater adventure in this fourth book of Surrender to the Sea. Atlantis is real and so are the people that live there, mermen that protect and guard the seas. Brutus is a hunter. He and his brothers are charged with rescuing or at least trying to save those that are about to be

swallowed by the sea. They also capture and search out for Scylla. According to legends mermen cannot service the water or else face death from the sun. Brutus is very close to this happening when he is struck by Laurel hanging onto a cooler. Laurel is a scientist and her boat is sinking. Brutus accidentally collides with Laurel sending her deeper into the sea of unconscious. He makes a decision that will impact his and her life, taking her down to his home, Atlantis. Will she survive? Has he found his true mate? What of the female mermaids? The story is a magical journey to the bottom of the sea.

KurzbeschreibungAtlantes, a lost city of intrigue to most, is Brutus's home, his curse, his prison. Doomed to an immortal life deep in the ocean, their only chance at salvation is to rescue damsels in distress from the surface world and bring them into the abyss. While mythology may label he and his kind monsters, this warrior is simply a man with needs. And he's found the perfect woman to see to them.
