**Von Frankie J. Jones : Survival of Love (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Survival of Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nothing not to like about this bookVon high artSynopsis:What do you do when you fall in love with your best friend's daughter?Denise and Jody have been best friends for over 35 years. They've been through everything together, always finding comfort and solace in their enduring friendship. After living apart for years, they're now following their lifelong dream of opening their own flower shop together. Life has never been better.The last time Jody met Denise's daughter, Ellen was nothing more than a seventeen-year-old whiney, spoiled brat. So when Denise announces that the now twenty-six-year-old Ellen is returning home with a broken heart, Jody can't help feeling a total lack of sympathy

for the younger woman. But then Denise tells Jody that Ellen has confided that she's a lesbian and who better than Jody to take Ellen under her wing and show her the lesbian life in San Antonio? Jody cannot believe that the once spoiled child has grown into such a kind and exquisite woman. She and Ellen find their attraction for each other overwhelming but can they confront and overcome all of the challenges that lay ahead? Not only is Denise furious about their new relationship, but Ellen's ex-lover has come to town to try to win her back and then there's something even more devastating that could threaten to tear all of them apart forever'-----A great story-line, 3-dimensional characters, conflicts that are easily understood and a love that is trying to survive. Please read this book, I am sure it will make you go through all the emotions it made me go through...just beautiful. A must read

Kurzbeschreibung What do you do when you fall in love with your best friend's daughter? Denise and Jody have been best friends for over 35 years.
